Turabian Style Guide

WHAT IS IT?

The Turabian Style Guide is a manual used for writing research papers, theses, and dissertations. It differs from CMS in its focus on student papers rather than publishing in general.

Turabian provides guidelines on:

- footnotes/ endnotes and combination with parenthetical referencing
- two documentation systems:
  - (1) bibliography style
  - (2) reference list style (physical, natural, social sciences)
- graduate-level papers
