Softcover ISBN: 9781601265012 Hardcover ISBN: 9781601265005, 199pp. color illus. index.

From the earliest origins of printing with movable type in the Rhineland and the subsequent translation of the Luther Bible, to the mass exodus of German-speaking emigrants to the New World, *The German Bible in America* traces the vital role that the German scriptures played in the expansion and development of the western world.

With special emphasis on each phase of German Bible printing in the United States, from the colonial era to the present day, as well as the European precedents, Dr. Yoder's work demonstrates why Pennsylvania led the North American continent in the printing of Bibles in the 18th century. Copious images of original Bible illustrations, inscriptions, bookplates, and bindings provide a rare glimpse of the most cherished possession among the Pennsylvania Dutch—the family Bible.
