National Museum of African American History and Culture Releases “Talking About Race” Web Portal

<https://nmaahc.si.edu/about/news/national-museum-african-american-history-and-culture-releases-talking-about-race-webT>

The Smithsonian’s National Museum of African American History and Culture today launched Talking About Race, a new online portal designed to help individuals, families, and communities talk about racism, racial identity and the way these forces shape every aspect of society, from the economy and politics to the broader American culture.

Talking to children after racial incidents

<https://www.gse.upenn.edu/news/talking-children-after-racial-incidents>

Talking to Children after Racial Incidents is an accessible and eye-opening conversation with Howard Stevenson, PhD, clinical psychologist, professor, and expert in racial literacy. This resource provides information for talking to kids across the age range

Picture Books for 2020: Readings to Embrace Race, Provide Solace & Do Good
<https://www.embracerace.org/resources/20-picture-books-for-2020> These books can be used to connect with children and spark conversations with them about race and equity.
