WHAT IS MV-TAP?

MV-TAP is an enrollment and onboarding program designed to ease the fall 2022 process for military and veteran transfer students which can save them time and money.

Students enrolled in or who completed an associates degree can fast track their enrollment and enjoy accelerated benefits and services, peer-to-peer support, a program reception, and a dedicated Veterans Services team knowledgeable of military benefits and processing timelines.

PROGRAM BENEFITS

MV-TAP streamlines the admission and enrollment process for eligible students. Featuring an accelerated process for program benefits and onboarding activities that matter the most to transfer students.
