**Attention Sophomores and Juniors –
Required MUS 311 and 312 offered this Summer**

The two required music history courses, MUS 311 (Music from Ancient to 1750) and MUS 312 (Music from 1750-Present) are being offered for the Summer I and Summer II sessions. For those of you able to take classes on campus over the summer, this will allow you to concentrate your effort on these challenging classes without the distractions of a full load of other classes next Fall and Spring. These classes will only be offered every other summer, so they will not be available in the summer of 2011. Contact Dr. Rober (rober@kutztown.edu) if you have questions, or want more information.

The trouble with music appreciation in general is that people are taught to have too much respect for music; they should be taught to love it instead. ~Igor Stravinsky
