

Bachelor of Science: Secondary Education German

Why study German?

- Germany is the world's largest exporter.
- Speaking and understanding German will deepen your knowledge of the culture and improve your employment opportunities.
- Most commonly used language on the Internet after English.
- More than 750 U.S. companies do business in Germany.
- German is no harder to learn to speak and write than other languages.
- German is the second-most commonly used scientific language.
- German is the language of Goethe, Mozart, Bach, Beethoven, Freud and Einstein.
- German is the most commonly spoken language in the EU.
- Learning German provides deeper insights into a region that plays a vital role in central Europe's intellectual and economic life and in its cultural history.

A nice place to do homework

Learn German in Austria

KU offers an exciting opportunity to study German in Austria for three weeks during the summer. Based in a small village just south of Innsbruck, you can also visit Salzburg, Munich, the famous Neuschwanstein castle and much more! (*Pending Council approval, expected Jan. 2007*)
