A Look at Kutztown University of Pennsylvania

History:

Kutztown University of Pennsylvania, a member of the Pennsylvania State System of Higher Education, was founded in 1866 as Keystone Normal School. It became Kutztown State Teachers College in 1928, Kutztown State College in 1960, and achieved university status in 1983. Today, Kutztown University is a modern, comprehensive institution and is accredited by the Middle States Association of Colleges and Secondary Schools.

Location:

Kutztown University's picturesque 325-acre campus is located in a Pennsylvania Dutch community mid-way between Allentown and Reading. Several large cities are easily accessible, including Philadelphia and New York.

Enrollment:

Approximately 10,000 full- and part-time undergraduate and graduate students. Most are Pennsylvania residents, but students from 24 states and 38 nations are represented in the student body: 60% women, 40% men.

Academic Year:

Consists of two 15-week terms. The university also offers classes during two five-week summer sessions.

Faculty:

Teaching-focused with scholarly expertise; many are engaged in research, student/faculty research, writing and consulting. There is a 19:1 student/faculty ratio.

Majors/Degrees:

KU has nearly 60 undergraduate majors in the Colleges of Liberal Arts and Sciences, Visual and Performing Arts, Business, and Education. There are 19 graduate degree programs within the College of Graduate Studies and Extended Learning. Degrees at Kutztown include the B.A., B.F.A., B.S.B.A., B.S.N., B.S.W., B.S.Ed.; M.A., M.B.A., M.P.A., M.L.S., M.S., and M.Ed.

Special Academic Programs:

There are honors programs throughout the undergraduate curriculum, Phi Kappa Phi and Alpha Epsilon Lambda national honor societies, 17 international exchange and study abroad programs, freshmen seminars, independent study, internships, four MBA locations, and diversified and intensive academic support services.

Library:

Modern, spacious facility; 517,000 bound volumes, as well as thousands of maps, periodicals and microforms; Endeavor integrated library system; numerous Web databases; Internet; electronic full-text periodical databases; 191 computers, including laptops; 527 network connections; seating for 800 patrons.

Special Facilities:

Wireless campus, gallery, planetarium, observatory, TV production facilities, 30 student-accessible computer labs containing nearly 500 PCs/Macs, cartography lab, early learning center, smart classrooms, curriculum materials center and Pennsylvania German Heritage Center.

Student Life:

Nearly 200 student organizations include: academic, advisory councils, campus media (including a fully-equipped radio station and student newspaper), diversified interest, Greek Life, performing arts, public service, special interest, sports (club and recreation) and visual arts affiliates. Entertainment options include concerts, dances, lectures, comedy, excursions and cultural events. The McFarland Student Union houses the bookstore, movie theater, game room, snack bar, TV lounge, coffeehouse, financial center and cyberlounge.

Residence Halls:

Ten residence halls (6 coed, 2 single gender, 2 modified single gender), two apartment-style coed complexes and one residence house accommodate 4,434 students. All residence halls are wired for cable TV, telephone, Internet and campus network access.

In accordance with the Equity in Athletics Disclosure Act of 1994 (section 360B of Pub. L. 130-382), the Kutztown University Athletic Department has made information concerning its intercollegiate athletics programs available to the public. This information is on file at Rohrbach Library and the athletic department main office. Questions can be directed to the athletics office, (610) 683-4094. Kutztown University is committed to Affirmative Action, equal employment and educational opportunity in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246, the Educational Amendments under Title IX of 1972, Sections 503/504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

Head Coach Bernie Driscoll

Bernie Driscoll returns for his seventh season as head coach of the men's basketball team at Kutztown University.

In his six years at the helm of the Golden Bears, Driscoll has tallied a 78-85 overall record. However, after a two-year rebuilding process, he has a 67-45 mark the past four seasons. Driscoll has led the Golden Bears to four straight winning seasons and PSAC playoff appearances, both firsts for the KU program. His mark in PSAC East play stands at 32-40, but KU is 28-20 over the last four years.

Last year, Driscoll guided Kutztown to a 16-12 overall record, including a 7-5 mark in the PSAC East. The team advanced to the conference quarterfinals. In 2004-05, the team was 15-12 overall, also advancing to the quarterfinals. KU was ranked as high as 17th in the nation. The 2003-04 season was one of the best in the program's history. The Golden Bears finished 18-11 overall, including 7-5 in the PSAC East. KU reached the PSAC title game for the first time in 16 years. In 2002-03, Driscoll's club had a remarkable turnaround and he earned PSAC East Coach of the Year honors. After winning a combined 11 games in two years, the Golden Bears went 18-10 overall, and 8-4 in the PSAC East. The squad made its first PSAC playoff appearance since 1999, winning the second-most games in school history.

Driscoll came to Kutztown from West Chester, where he served as the top assistant coach from 1987-2000. In his final three seasons there, the Golden Rams won two PSAC East titles, and received two bids to the NCAA Tournament. WCU produced a string of three straight 20-win seasons, and appeared in the PSAC Final Four each of those three years. In addition, Driscoll was a key factor in the academic success of the Golden Ram basketball program, which boasted a 98% graduation rate for its players.

Driscoll, 51, received a bachelor's degree in biology from Dickinson College, Carlisle, PA, in 1977. While at Dickinson, he participated in varsity football and baseball and still holds most of the career receiving records at the school. He received a master's degree in education from St. Joseph's University, Philadelphia, PA, in 1988.

Driscoll and his wife, Liz, have three children - daughters, Maureen (22) and Kelly (19), and son, Ricky (18).

Assistant Coach Tom York

Tom York enters his sixth season as assistant men's basketball coach at Kutztown University.

A KU graduate with a bachelor's degree in elementary education, York was a three-year starter and two-time MVP selection as a Golden Bear. He earned first-team All-PSAC East honors in 1980-81. After coaching at Phoenixville and Glen Mills high schools, York compiled a 96-92 record in seven seasons as KU's head women's basketball coach (1987-94). He was named PSAC East Coach of the Year after guiding the women's basketball team to an 18-10 record in 1989-90.

York then spent four stellar seasons as head coach of girls' basketball at Wilson High School (1996-00) in West Lawn, PA. He compiled a record of 105-20, winning two county championships and three AAAA District III titles. He came back to KU from Exeter High School, where he coached girls' basketball in 2000-01.

York and his wife, Wendy, have two children - son, Travis (16) and daughter, Amanda (14).

Golden Bears Look to Newcomers, Key Returners to Keep Post-Season Streak Alive

After qualifying for the Pennsylvania State Athletic Conference (PSAC) playoffs for a school-record fourth-straight season, Kutztown University's men's basketball team will have to replace several key players as the 2006-07 season gets underway.

Last year, Kutztown finished with a 16-12 overall record, including a 7-5 mark in the PSAC East. Gone from that team are four starters who combined to average more than 52 points per game.

Head coach **Bernie Driscoll** has replenished the roster with a mixture of freshmen and transfers who will join the returning veterans as Kutztown looks to make another post-season run.

Headlining the Golden Bear roster is the lone returning starter, **Dave Ben**. The 6-4 sophomore guard/forward was named the PSAC East and KU Male Rookie of the Year last season. He averaged 13.8 points and 7.1 rebounds per game, while connecting on 75% from the free throw line and 34% from three-point range. Ben had six games in which he scored more than 20 points, and notched four double-doubles in points-rebounds.

Seniors **Dorian Sims** and **Terrance Davis** will provide experience. Sims, a 6-0 guard, will be sidelined until January due to an off-season injury. He averaged 7.0 points, 2.3 rebounds and 2.3 assists per game last year. Davis, a 6-4 forward, played in 12 games last year, after being limited by injury.

Junior center **Kevin Hafera**, 6-7, saw action in 14 games last season. He should see more time in the post this season. **Mark Bower**, a 6-7 forward, also should have a larger role. Bower saw time in 17 games, averaging just under two points per contest.

Andre Woodlin, a 6-3 guard, returns for his sophomore season. Woodlin averaged 2.2 points and 1.5 rebounds in limited time last season. He connected on 6-of-8 three pointers.

Junior transfer **Sean McKeon (jr. Phoenixville/Phoenixville HS)** is expected to make an immediate impact. The 6-10 forward is likely to be in the starting line up. McKeon transferred from Duquesne University where last season he saw action in 22 games, starting four of them. He averaged 2.2 rebounds and 3.9 points in 14.6 minutes.

Also expected to make an impact is 6-9 freshman center **Octavious Warner (Philadelphia/Westtown HS)**.

McKeon and Warner provide much-needed height to a team that lacked it last season.

Challenging for openings in the back-court will be a trio of newcomers. **Omar Ketli (Stockholm, SWEDEN)** (6-3) was an all-conference selection in his homeland. **Nate Edwards (Philadelphia/North Catholic HS)** (6-0) was an All-Catholic League all-star. **Max Foye (Mountaintop/Crestwood HS)** was a third-team all-state and Wyoming Valley Conference MVP.

Other newcomers looking to make an impact include guard/forward **Mike Connolly (Harleysville/Souderton HS)**, center **Jeremy Coombs (Philadelphia/Northeast Catholic HS)**, guard **Stephen Dennis (West Chester/Henderson)**, guard **Clarence Harris (Philadelphia/Grace Temple Academy)**, forward **Peter Isler (Zug, SWITZERLAND)** and guard **Durell Moore (Chester/Strath Haven HS)**.

Kutztown opens the 2006-07 season on Nov. 20 when it hosts Penn State-Hazleton.

Kutztown University is blessed with some of the top athletic facilities among Division II colleges and universities in the Eastern United States. Twenty of KU's 21 teams have their home venues on campus.

Keystone Hall

The headquarters of the KU athletic department, Keystone Hall is the hub of indoor athletic activity on campus. Keystone Hall also houses the Golden Bear Sports Medicine department, designated locker rooms for all intercollegiate athletic teams, and a state-of-the-art fitness room.

Keystone Arena ▶

The 3,400-seat Keystone Arena, located in the center of Keystone Hall, is the home of the Golden Bear volleyball team in the fall, and the men's and women's basketball and wrestling teams in the winter. It served as the site of a town meeting by President George W. Bush in 2004 and was the training camp home of the NBA's New Jersey Nets in the fall of 1995.

◀ Risley Weight Room

Athletes get extensive use out of the free-weight room, located on the ground floor of Risley Hall, the original gym. The weight room was recently renovated and expanded.

Keystone Field House ▶

Keystone Field House is home to the KU men's and women's indoor track teams, and has been the site of major eastern championships in recent years. The field house is used by all teams for indoor practice and overflow athletic events and many camps and clinics throughout the year. It is also used for non-athletic events, such as President Clinton's address during his visit in 1995.

Bold-active player

Men's Basketball History/Honors

On January 24, 1903, then Keystone State Normal School faced off against Reading High School. Although the Maroon & Gold was defeated, 24-8, the game began a century of men's basketball that produced numerous outstanding players and several conference championships.

The first faculty coach was also a standout player. KU Athletics Hall of Fame member George B. Ely came to Kutztown in 1905. A standout athlete and coach, he led the basketball team to successful records from 1905-08.

The men's basketball program reached a high level of success in the late 1910s, winning two Pennsylvania State Normal School championships. The program's first title, and the first championship in any sport at the school, came in 1917. Coach Bert Bohler and player Raymond Loose led the team to a perfect 18-0 record that season. In 1919, Bohler led an almost completely new cast of players to a second championship.

Arlan Bayer was one of Kutztown's best players in the first half of the century. He scored 711 points from 1926-30, a record that stood for 25 years. He also held records for points in a season (249) and a single game (32).

In 1936, a group of future Hall of Famers brought another title to Kutztown. Hall of Fame coach James MacGovern, and Hall of Fame players Russ Stoudt (captain), Joseph "Gino" Musso, John Polischak and George Kovich were key factors in the title run. The team finished the year 11-2, defeating West Chester, a team it had lost to earlier in the year, for the Pennsylvania State Teachers College championship.

The program, discontinued during World War II, was reinstated in 1945-46 by Hall of Fame coach Walt Risley. Risley coached the cagers until 1963. Roger Cocivera (1952-56) became the first 1,000-career point scorer, finishing with 1,231 points.

The 1960s and 1970s produced seven 1,000-point scorers, including John Cresswell, the first to eclipse 1,400 career points in 1969, and George Krell, who passed Cresswell with 1,467 points in 1970. Hall of Famer Eddie McTague set the school record for assists and his steals mark still stands today.

In the mid-1980s, head coach Rick Binder produced several standout players and a three-year span of 53 wins. Hall of Famer Butch Hills set the school's scoring record with 1,525 career points. He teamed with fellow Hall of Famer Marty Eggleston, who set the career rebounds and blocks records, to lead the 1987-88 team to a school-record 21 wins. That team also won the Pennsylvania State Athletic Conference East title and qualified for the NCAA playoffs.

The 1990s produced the school's current scoring leader, Lock Jennings, who scored 1,682 points from 1989-93, and 1,000-point scorer, Keith Mackrey.

In KU's second century, current head coach Bernie Driscoll has posted four straight winning seasons and led Kutztown to an appearance in the PSAC title game. The decade has also produced three 1,000-point scorers - Bilal Salaam, Jeff Brickus and Bobby Eberhart - and the school's current all-time leaders in rebounds (Salaam), assists (Brickus) and blocks (Salaam).

The brand new, 64,623 square foot student recreation center opened in the fall of 2006. The facility, located between Keystone Hall and University Field, is THE place to be for student recreation and fitness on campus. Among the amenities are a nearly 9,000 sq. ft. fitness center and weight room, two group fitness studios, two

racquetball courts, an indoor rock climbing wall, a synthetic surface gymnasium with curved walls for indoor sports, a synthetic surface half gymnasium, a suspended jogging track (approx. 1/10 mile), an office suite for recreational services staff, a meeting room, retail space/snack bar and locker rooms with jacuzzis.

2005-06 Dixon Trophy

photo by KU sports information

For the first time in school history, Kutztown University is the winner of the Pennsylvania State Athletic Conference's (PSAC) Dixon Trophy for the 2005-06 academic year. The trophy is presented annually to the league's most successful all-around program.

The Dixon Trophy is named after F. Eugene Dixon, Jr., former chairman of the Board of Governors of Pennsylvania's State System of Higher Education. It is awarded annually to the PSAC member institution that accumulates the most points based on results of conference playoffs and/or regular-season records. Each institution's point total is calculated by adding

its top six men's finishes and top six women's finishes in 21 conference sports.

Kutztown, the runner-up the past two years, totaled 140 points, edging Shippensburg by one and a half points.

Pictured above are several representatives of Kutztown University's athletic teams accepting the Dixon Trophy at a presentation in September. On hand to present the trophy to KU's coaches and athletes were President F. Javier Cevallos (far left), Vice President for Student Services and Campus Life Chick Woodard (front, third from right) and Director of Athletics Greg Bamberger (far right).

Academics & Athletics at KU

The **KU Academic Success Initiative**, when fully implemented by the coaching staff, provides the appropriate support, incentive, and opportunity for students to make a similar effort toward their academic success as made toward their athletic performance. The Initiative is based on the expectation that both individual and team academic performance will be at or above the level of the overall student body. This expectation is built into the evaluation of coaches and is an integral part of the process of awarding athletic scholarships. KU provides athletic scholarships to support the academic pursuits of its student-athletes. Student-athletes are expected to participate in sports because they love to do so.

Continuing indications reveal that the Initiative works and is having a profound and measurable effect on both academic and athletic performance. Over the past 11 years, KU's freshman class of student-athletes has had a significantly higher grade-point average than the overall freshman class. In 2005-06, KU's student-athletes achieved a cumulative grade-point average of 2.84, the second highest in school history. Also, 94 Golden Bears were recognized as Pennsylvania State Athletic Conference (PSAC) Scholar Athletes.

The **KU Academic Success Initiative** contains the following components:

The Monitoring of Progress: The academic progress of student-athletes is continually tracked and monitored.

Course Selection and Registration: In order to avoid unnecessary conflicts between athletic events and classes, student-athletes are provided a registration date earlier than the rest of the campus student population. Registration is now done online via the Internet. Students can go online at any time to view their schedule, grades, transcript, financial aid, payments, charges and restrictions on their account.

Academic Coaching: This year-long program is based on one-on-one personal contacts between the coach and the student-athlete.

Faculty Advising: This is an essential part of the college experience and is often a major factor in the ultimate academic success of students. Advisor meetings are required in order to register for classes.

Pre-Season Academic Seminars: During pre-season camps and/or the first week of classes, athletes may participate in seminars addressing topics such as time management, study skills, class participation, student/faculty relationships and test-taking strategies.

Career Services Visit For Undeclared Majors: Incoming students who have not yet declared a major or who may be unsure of their chosen major are highly encouraged to visit the Career Services Office.

Referrals For Services to the Department of Developmental Studies: Student-athletes are strongly encouraged to make use of the Department of Developmental Studies' services in regard to tutoring or other needs

for specialized instruction.

Referrals For Services to the Counseling and Advisement Center: Trained counselors/faculty advisors are available to help with psychological/academic counseling/advisement issues.

Library Tour: A library tour is highly recommended of all incoming student-athletes.

Personal Computer: Each student-athlete is strongly encouraged to have access to a networked personal computer.

Academic Accomplishment Recognition

The Department of Athletics has developed a comprehensive program to provide incentive for and acknowledgement of the many academic accomplishments of its student-athletes. Below are some examples of the program.

Graduation Reception: The athletic department hosts a reception for graduating student-athletes and their families at the winter and spring commencement ceremonies to recognize the culmination of student-athletes' education at Kutztown University.

Awards and Honors: KU offers specific academic scholarships available only to student-athletes. KU student-athletes are nominated for all available NCAA, PSAC and CoSIDA awards.

Scholar-Athlete Banquet: Each year, the PSAC Scholar-Athletes are recognized at a banquet in their honor.

Dean's List Ceremony: All Kutztown University student-athlete dean's list recipients are acknowledged at a basketball game every year.
