**** (Lunch is not included) ****

About The Clinic:

This one of a kind clinic will give all players the opportunity to receive high-level training and instruction from Kutztown University soccer coaches and current players. Boys and Girls (Ages 6-12) will participate in a full range of training activities and small-sided games specifically designed to properly develop the important technical skills needed to enjoy the game and become a better player. Individual skill instruction focusing on passing, receiving, finishing and 1v1 moves will help players further develop their technical skills, while the small sided games and activities will greatly enhance important decision making skills as players are challenged to solve problems during game play.

To ensure the highest quality of training possible, each session will be limited to 30 participants. This limited registration policy will keep the staff-to-camper ration as low as 1:10, or lower, and will guarantee that no player gets lost in the shuffle! This program will not only be fun, but it will provide each camper with the unique opportunity to work with college level coaches and players ... You're going to love it!

Program Director:

Erik Burstein – Head Women’s Soccer Coach, Kutztown University (610-683-1522)

Fees:

\$30 per player / per session.
