A New Beginning for Kutztown Lacrosse

Kutztown University reinstated the varsity Women's Lacrosse program in 2007-2008 after a nearly 17-year hiatus. In the 2008 season the team played a non-conference schedule before competing in the PSAC in Spring 2009. The program ran from 1975-90 and was responsible for the first women's championship in school history, winning the PSAC title in 1982.

Golden Bear Lacrosse Clinic 2010 offers opportunities to develop individual stick skills and playing experience, with the use of top notch university facilities, and instruction from experienced college coaches and

current Kutztown
athletes.
