

## RESOURCES IN YOUR BUILDING

**Roommate Agreements-** You can always refer back to this document to remind yourself and your roommates what you consciously agreed upon at the beginning of the year.

**Your Community Assistant** – This person lives on your floor or wing and is available to help you. Your CA will be meeting you at the beginning of the semester and will provide you with their business card.

Your CA is there to help and support you, please don't hesitate to contact them with questions or concerns. There is a CA on duty every night- your desk can put you in touch with them.

**Building Director-** When tensions rise and you are feel you are in over your head, you may seek guidance from your Building Director who may help you or refer you to the best available help. If you need to speak to a building Director, the desk staff will know how to put you in contact with your BD or the BD on duty.
