Information Sessions

Public Safety

This session will provide a brief overview about the Department of Public Safety & Police Services. Topics such as the E-2 emergency notification system, on-campus safety escorts, shuttle service, parking and general safety information are some of the items that will be addressed.

Dining Services

This session introduces the dining services program and provides information on meal plan contracts and options available at KU. Dining flex accounts are also described.

Bear Bucks

This session deals with how students can make the best use of "Bear Bucks." Bear Bucks can be used to buy textbooks, supplies, food, and various services on and off campus. Where Bear Bucks can be used, how to sign up, and 24/7 online services are discussed.

PSECU

The Pennsylvania State Employees Credit Union (PSECU) is the largest credit union in the state. PSECU operates an E-center for the convenience of students and parents in the MSU. The easiest, quickest, most secure way to get money to your student.

Housing & Residential Services

This session offers information about on-campus residence life. Topics such as the visitation policy, student mail, computer resources, and what to bring and what not to bring are just some of the topics discussed.
