

Library committee

Summary of Library Committee work.

Topics discussed at the meeting of the Library Committee on 10/02/19.

1. Textbook affordability update, OERs:
Work in progress; recognition of faculty who are re-writing their courses around OER and low-cost materials.
2. Budget:
No additional budget cuts.
3. Collection Development:
Departmental book budgets are established, departments to place book orders.
4. Library's reserves data project, overview.
5. Needed:
Two tenure-track positions or part-time positions to replace the two recently vacated positions.
