SELF-GUIDED TOUR AND VISITOR INFORMATION

Here, You ROAR

WELCOME TO KUTZTOWN UNIVERSITY

Kutztown University is divided into North and South campus, separated by Main Street which connects with Route 222 at either end.

Follow the instructions below and the map on the back page to learn a little about our history, and a lot about our impressive facilities.

Begin at the **Office of Admissions (#24)**. Here is where undergraduate admissions applications for first-time freshmen and transfer students are reviewed.

Cross Main Street, **Rothermel Hall #28** is on your left and **Golden Bear Village West #27**, a student townhouse residence, is on your right.

Straight ahead is the **Multi-cultural Center (#35)** which provides students with cultural awareness programs and events, a resource center and classrooms.

Continue down the large walkway and turn right to **Lehigh Hall (#39)**, **Berks Hall (#37)** and **Schuylkill Hall (#36)** – known as “tri-county” – because they

were named after the counties the university originally served. These are traditional residence halls.

Return to the walkway, head south and you will pass **Johnson Hall #40** and **Bonner Hall #42** on your right.

In front of you is **South Dining Hall (#45)**, the main dining facility on campus, open 24/7 and featuring a buffet-style dining room on the second floor as well as food court options on the main level. This building includes interactive food stations, gaming tables, and an all-you-care-to-eat café.

Next to South Dining Hall is **University Place #43**, a residence hall featuring suite-style living. Behind University Place is **Golden Bear Village South #44**, an apartment complex.

Turn left and walk through the tunnel at **Dixon Hall #41**, the largest residence hall in the PA State System and home to more than 800 students. It also includes a convenience store.

Cross the street and continue on pavement to **Keystone Hall (#46)**. This facility features an indoor swimming pool, basketball arena, weight training rooms, wrestling room, and classrooms.

Attached to Keystone is **O’Pake Fieldhouse #47**, home to the indoor track team and other large events each year. Behind the fieldhouse is **Keystone Field #53**, a renovated athletic venue home to women’s soccer, lacrosse, club and intramural sports.

Cross the street to the **Student Recreation Center (#48)**. This 8,500 square-foot facility features a fitness center and weight room, racquetball courts, rock climbing wall, suspended jogging track, exercise studios, indoor basketball courts and a juice bar.

Turn left and after you pass the tennis courts, turn right. **Deatrick Hall #38**, **Golden Bear Plaza #51** and basketball courts are on your left, while **Andre Reed Stadium #49** is on the right. Next to Deatrick is **Beck Hall #34**, home to the Health & Wellness Center and Counseling & Psychological Services.

Pass **Risley Hall #33** – KU’s first gymnasium which now houses the weight room for NCAA athletics.

Old Main (#30) is the original building on campus dating back to 1866. It is home to 11 academic departments, classrooms and features the Women’s Center, LGBTQ+ Resource Center, Offices of Housing & Dining Services, and Residence Life. Public Safety & Police Services is located on the ground level.

Follow the walkway to the right of Old Main. Between Old Main and **Stratton Administration Center #32** is College Hill Memorial Grove – the centerpiece of which is the bell that once rang in the Old Main clock tower. Stratton houses administrative offices including Registrar, Student Accounts, Financial Aid, and Disability Services.

Cross Main Street at the traffic light. The building on the left with the copper dome is the **Graduate Center #17**. This building was the original home of the university library.

Follow the walkway to the right and you will see the impressive **Schaeffer Auditorium (#16)**. Schaeffer features seating with a capacity for over 800 and a large modern music rehearsal hall.

It is the site for numerous world-renowned performances in addition to those from the university’s many musical groups.

Adjacent to Schaeffer is the **President’s Home #15**.

As you continue on this path, you will approach **Sharadin Arts Building (#13)** which houses the College of Visual & Performing Arts. It includes computer labs and studios for all art and photography courses. An exhibition gallery is accessible through the main entrance.

Beyond Sharadin is **McFarland Student Union (MSU #6)** that is primarily for student activities and features the all-you-care-to-eat Cub Café, a full-service Starbucks, computer lab, commuter lounge, and Veterans Services Center. Many special events take place in the Multipurpose Room. On the lower level is the KU Campus Store, KUR radio station, Esports Arena, and Alumni Auditorium.

Behind MSU and across College Blvd. is **Honors Hall #4**. This living-learning community offers apartments, a library and study lounge. Next to Honors Hall is Kutztown Fairgrounds where the majority of first-year students park their vehicles.

North of MSU is the **deFrancesco Building #2** which contains the College of Business. The **Beekey Education Center #1**, is home to the College of Education. **Rickenbach Research and Learning Center #3** houses communication and media programs, as well as a full television studio and small performance theater.

Turn left after MSU and walk toward **Rohrbach Library (#7)**. More than 100 databases, 1.2 million print and E-volumes, Mac and PC computers, study spaces, research services, 3D printing, and a coffee/snack shop can be found inside. Rohrbach also holds STEAMworks, Writing Center and Tutoring Services.

Past Rohrbach is the **Academic Forum (#9)**, primarily a smart classroom building that also houses a large food court featuring Chick-fil-A, a Starbucks coffee shop, and the KU Card (ID) office.

Behind the Academic Forum is **Lytle Hall #8** which contains more academic departments. To the left of Lytle are athletic fields, and the **PA German Cultural Heritage Center #10** is on the far northwest corner of campus.

Turn left at the Academic Forum and walk between **Grim Science Building (#11)** and **Boehm Science Center (#12)**. Grim includes the planetarium and observatory while Boehm

contains departments for physical and biological sciences.

Cross the street and continue onto the **Alumni Plaza (#18)**. Popular with visitors and students, the plaza features a WiFi hotspot, forum-style grass area designed as an outdoor classroom, and a beautiful brick plaza with water features.

Return to Main Street and turn right.

As you walk back to the Admissions Center, you will pass **Saint Christopher Catholic Newman Center #19**, a Catholic community center for students; **Boxwood House #20** that contains graduate and international admissions (study away program information can also be found here); **Maple Manor #22**, **Weisenberger Alumni Center #21**, and **Clarence Schock Education House #23**, all house administrative offices.

THANK YOU FOR VISITING! WE HOPE YOU HAVE ENJOYED YOUR TIME AT KU.
