FALL ASSESSMENT DAY FAQS

Fall Assessment Day was held on September 16 via Zoom. The event focused on a review of assessment practices within the university including a discussion of current practices and challenges. These conversations generated some common questions that we have compiled into a document found [here](#).

Thank you to all who attended the event! The next Assessment Day will be held on January 17, 2023.

ASSESSING IN A GEN ED CLASSROOM

Dr. Michele Baranczyk will lead a workshop on challenges in assessment for General Education courses. Faculty teaching Gen Ed courses that also serve their majors are invited to attend.

The workshop will be held on Tuesday, October 18 at 3 p.m. in GC 200. Questions can be directed to Dr. Michele Baranczyk (baranczy@kutztown.edu)

ANNUAL REPORT FEEDBACK

2021-22 Annual Reports for Program Assessment were due on September 30, 2022. These will be reviewed over the next few weeks and feedback will be given directly in NuVentive. Once the feedback is ready, we will notify programs along with instructions on how to access the feedback.

Any questions or concerns regarding program assessment reports can be directed to Dr. Nicole McClure (mcclure@kutztown.edu).
