

## **Design of Summer Camp Craft Projects**

**Department/Organization Name:** Bear Creek Mountain Resort

**Project Description:**

- Develop and design craft project ideas for our summer campers at Bear Creek Mountain Camp. Looking to create 3-5 new engaging crafts in each camper age range (5-7yrs, 8-11yrs and 12-14yrs). Each craft should include full instructions, a materials list and a cost per individual.

**Necessary Skills:**

- Knowledge of childhood development and learning skills as it relates to designing interesting, engaging, fun and exciting projects for our campers at the various age levels.

**Desired Majors:** Education or Art Education Majors

**Approximate Length:** Spring Semester (January-May), 40hrs; Format: Hybrid

**Payment:** \$250 Student Scholarship upon completion of micro-internship
