

## Bachelor of Science in Art Education-Alternative Settings

People create art to communicate ideas, thoughts, or feelings. A variety of methods and an assortment of materials can be utilized to create, including oils, watercolors, acrylics, pastels, pencils, pen and ink, plaster, clay, metals, fiber, and computers. Kutztown University's renowned art education program with a long history is one of the best in the country. As an art education major, you will receive a sound general education as well as rich experiences in your field. You will gain the knowledge and confidence to become the best possible facilitator of art experience.
