Incumbent Undergraduate Student Advisement & Registration Dates Spring 2027

Advisement Period …………………………………………………………………………………………..Monday, October 5th—Thursday, December 3rd
Course Selection……………………………………………………………………………………………Monday, October 19th—Thursday, December 3rd

Make an appointment to see your advisor (s) during the advisement period to determine the courses that you should schedule online. Any student who is unable to make an appointment with his/her Academic Advisor should see the Advisor's Department Chair.

Advisement for Undergraduates with Multiple Programs, Secondary Ed Majors, and Major/Concentration Changes

- **MULTIPLE PROGRAM STUDENTS** are students who have either declared two majors with the same degree designation (for example: DOUBLE MA-JORS - BA in History and a BA in Music) or declared two degree programs (for example: DUAL DEGREE – BA in Political Science and a BS in Criminal Justice). Students with multiple programs of study are required to have advisement sessions with the academic advisors from each major program of study. The academic advisor for the first declared major will be listed as the first advisor. The academic advisor for the additional major or degree will be listed as the second advisor. The first advisor may determine your registration type (see above). Both advisors may enter information on your Advisement Screen. The student will schedule courses during dates as listed online. **UNDERGRADUATE STUDENTS MUST EARN AT LEAST 18 CREDITS IN EACH MAJOR/DEGREE THAT ARE NOT REQUIRED IN THE OTHER MAJOR/DEGREE.**

- **SECONDARY EDUCATION STUDENTS** are required to have advisement sessions with their academic advisor from the area of concentration (listed as the first advisor) and with their academic advisor from the Department of Secondary Education (listed as the second advisor). The first advisor may determine your Registration type. The student will schedule courses during dates as listed online.

- **STUDENTS WITH APPROVED CHANGES IN MAJOR OR CONCENTRATION** will consult with the newly assigned Academic Advisor for the course selection advisement as well as for various other academic concerns. The name of the new Academic Advisor is listed online.

Incumbent and New Graduate Student Advisement & Registration Dates Spring 2027
Incumbent (Current) Graduate & Post-Baccalaureate Certification Registration ……………………………………………………Monday, October 19th
Advisement/Registration of New Graduate, Post-Baccalaureate Cert, and Prof Credit Students (Once Matriculated) ………..…...Monday, October 26th

While not required, graduate students are strongly urged to consult with their advisors regarding their course selections, degree requirements, candidacy, graduation requirements, or any other matter relating to their program. Post-Baccalaureate Certification students are required to have their initial registration approved by their advisor for their first semester as a certification student. It is strongly recommended that consultation be made with their advisor for subsequent registrations.

Undergraduate and Graduate Closed Courses
Course Permission Forms are available in the Registrar's Office for students seeking registration into a closed course. Students must obtain the signature/approval of the chair of the Department. Once the appropriate signatures are received, students can bring the form(s) to the Registrar's office or email it to **regoffice@kutztown.edu** to have the course(s) added to their schedules.

Undergraduate and Graduate Special Arrangement Courses-Internship, Independent Study & Individualized Instruction
1. Secure the appropriate form at the academic department for the course.
2. Follow the directions on the form.
3. Submit the completed form with signatures at your designated registration time.

Graduate Thesis
Forms with appropriate approvals must be submitted at the time the student registers for a given semester. See Calendar for deadline. The student's procedure to accomplish this is as follows:
1. Secure the appropriate form from the department in which the course will be taught.
2. Secure the approval of the course instructor and Department Chair.
3. Deliver the form to the Dean's Office of the department in which the course resides to seek his/her approval.
4. The student should report back in 3 business days to determine if the Dean or his/her designee has approved or denied the request. If the request is denied, the student, as well as the Chair and Instructor, will be informed.
5. If the request is approved, the student will collect the form and deliver it to the Dean of Graduate Studies to seek approval.
6. If approved, the student shall submit the form with all appropriate signatures to the Registrar's Office. If the request is denied, the Dean of Graduate Studies will so inform the student, College Dean, Department Chair, and Instructor.

Notes and Points to Consider for All Students

- Resolve all negative service indicators that restrict registration before you register.

- Check the schedule for courses you intend to take. Consult your advisor if they are not offered.

- Select courses that do not conflict or meet at a location other than the place desired.

- Select your desired science laboratory, the corresponding lecture section will automatically be added to your schedule.

- Select the correct sequence of courses by observing course prerequisites.

- Select courses that complete requirements within your particular curriculum.

- Obtain permission to schedule 18+ Undergraduate credits. Additional credits require permission from your Dept Chair and will result in an additional charge.

- Obtain the permission of the instructor to enroll in 400 level courses which are generally limited to junior, senior, and graduate students.

- Plan your program carefully with the full participation of your Advisor. You are responsible for your schedule.

- Drop or withdraw course(s) within the set time limits to avoid punitive grades and limit the effects on your bill and/or financial aid.

Degree Requirements for Transfer Students	Undergraduate students transferring from any institution of higher education must complete half of the minimum semester hour degree requirements in their major and minor field at Kutztown at the upper level. For more details please refer to the Residency Policy also listed under this section.
Disability Services	If you received disability support services in high school through an IEP or 504 plan, or received accommodations at another college or university, you may be eligible to request accommodations at KU. Please note that high school IEPs and 504 Plans do not automatically transfer to higher education, and all accommodation requests are reviewed on a case-by-case basis in accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act. Students who have not previously received accommodations but anticipate needing support to ensure equal access to KU programs, services, or facilities may also request services through the Disability Services Office (DSO). To help ensure accommodations are in place as early as possible, students are encouraged to visit **www.kutztown.edu/DSO/accommodations** to review instructions for completing the online Accommodation Request Form and submitting disability-related documentation. Requests may be submitted at any point, though accommodations are not retroactive. If you have any questions, please contact the DSO at **DSO@kutztown.edu.**

FERPA (Family Educational Rights and Privacy Act of 1974 as amended)	This federal law provides that institutions may not disclose information about students nor permit inspection of their records without their permission unless such action is covered by certain exceptions stipulated in the act. The full provisions are available at **FERPA - Kutztown University**
Final Examinations	Please see **Final Exam Schedule - Academic Calendar - Kutztown University** for a detailed guide to Final Examinations. See policy below for conflicts.
Final Examinations Conflict Policy – Undergraduate Students	The student has the option to take all examinations as scheduled during final examination week. If a student has a conflict of two final examinations at the same time, or three or more in one day, the student should try to resolve the conflict directly with the instructor(s) involved. In the event the conflict(s) cannot be resolved informally, the student may seek a resolution in the following manner: 1. Complete the "Final Examination Conflict Form" located on the Registrar's website by the end of week ten of the semester. If the student does not apply by this date, the conflict(s) may not be resolved to the student's satisfaction. 2. Present this form to the instructor with the highest numbered course to schedule an alternate time to take the final examination during final examination week. If conflicting final examinations are for the same numbered course, the course with the largest enrollment will take precedence; that is, the smaller enrolled course final examination needs to be rescheduled. 3. If the necessary rescheduling cannot be resolved through the instructor(s) involved and both courses are in the same college, the academic dean will make the rescheduling decision. 4. If the rescheduling cannot be resolved through the instructors and the courses are in different colleges, the Provost will make the rescheduling decision.
Grade Point Average/Quality Point Average (GPA/QPA)	The GPA in a student's major program is based on all courses taken which the department allows to count toward the major, regardless of whether the student uses the courses to fulfill major program requirements or as electives, concomitant courses, or General Education. One way for Undergraduate students to raise their GPA is to repeat courses in which they anticipate earning a higher grade. (**Note: Repeats of passed courses do not count toward the academic progress requirements for financial aid).**
Grading	The following grade options are available: **A** (4.0), **A-** (3.67), **B+** (3.33), **B** (3.0), **B-** (2.67), **C+** (2.33), **C** (2.0), **D** (1.0), **D+** (1.33), **F** (0.0) *Please note that there are no A+, C- or D– grading options.

Repeating a course (Undergraduate)	Undergraduate students will be limited to a *maximum* total of **six (6)** repeats. A single course can be repeated a *maximum* of *three (3)* times. Only the most recent grade will be calculated in the GPA and the total credits needed for graduation. The course *must* be repeated at Kutztown. Students must obtain permission from the Dean of the student's major to take a course beyond the maximum number of repeats for an individual course OR the overall maximum repeats. Graduate and Post-Baccalaureate students can repeat a single course for graduate improvement only once. They will be limited to a maximum of two repeats across the program. The most recent grade (regardless of whether it is higher or lower) will be the grade used for the GPA calculation.
Residency Policy	All first baccalaureate degree students must take at least 30 of the last 60 credits and at least 50% of their major credits at Kutztown University.
Section Codes	The first digit of the section indicates when or where a course is held: **0/1**= Day, **2**= Monday Evening, **3**= Tuesday Evening, **4**= Wednesday Evening, **5**= Thursday Evening, **6**= Two Evenings, a Saturday, or an Evening and a Saturday, **8**= Distance Education or Off Campus, **9**= Special Arrangement (Individualized Instruction, Independent Study, Thesis, & Internship)

Supplemental Instruction (SI)	Supplemental Instruction targets traditionally difficult courses. SI leaders attend class and hold 3 out-of-class sessions per week. Students discover an appropriate application of study strategies as they review course content material. SI leaders are students who have excelled in the particular course and have been trained to be SI leaders. The sessions are open to the students who are enrolled in the SI course. For more information, please contact Academic Enrichment at 610-683-4726.
"10 Year" Policy (Undergraduates)	The University welcomes the return of Undergraduate students who for various reasons did not complete their degrees. Such students should be aware that courses taken in their major discipline ten years or more prior to the resumption of study might not be counted toward graduation. Such courses may no longer be considered to be current or be required for the degree. The Registrar in consultation with the chair of the department of the student's major determines the acceptability of these credits; however, students may request the re-evaluation of the Registrar's decision by submitting a petition to the Undergraduate Exception Committee.
Transcript Requests	Official transcript requests can be made online through MyKU or via PDF on the Registrar's Office webpage.
Tuition, Fees, Billing, and Refund Policy	Please see Office of Student Accounts' website: **https://www.kutztown.edu/about-ku/administrative-offices/student-accounts.html** for information.
Verification of Enrollment	Enrollment verifications can be obtained through MyKU account.
Veterans	Veterans eligible for educational benefits under the G.I. Bill should contact the certifying official Susan Kopecky at **610-683-1571** or **Kopecky@kutztown.edu**
Withdrawal from Individual Courses	Courses dropped during the drop/add period of the semester will not be recorded on the student's permanent transcript. Students may withdraw from individual courses with a grade of "W" between the second and twelve week of the semester. After the twelfth week of the semester and through the last day of classes, a student who withdraws will receive a grade determined by the instructor. Failure to drop a class from which a student is registered but is not attending will result in a grade of "FN" for that course.
Withdrawal from Institution Federal Aid Recipients	See Financial Aid's website: **Financial Aid - Kutztown University**.
Withdrawal from the University– Undergraduates	Any student leaving the University prior to the end of any academic term must officially withdraw. The student should contact the Registrar's Office to initiate the formal withdrawal process. **The date the Registrar's Office receives the withdrawal form with the student's original signature is the student's official date of withdrawal from the University.** If the student completes the withdrawal process with the Registrar's Office two weeks prior to the start of finals, the student will receive "W" grades for all courses. If the student completes the withdrawal process after that point, the student will receive a grade determined by the instructor. Please note that failure to complete the withdrawal process may result in failing grades in all courses being taken at the time of withdrawal.
Withdrawal from the University– Graduates	Graduate Students have six years from the first day of their first class to complete their studies and are not required to attend every semester. If a student wishes to withdraw from all courses; whether just for that semester or permanently, the student will need to complete and submit the withdrawal form. If the form is completed after the first week of the start of classes and before the two week period before the start of finals, the student will receive "W" grades for all courses. If submitted after the two week period before the start of finals and through the last day of classes, the student will receive a grade (s) which will be determined by the instructor (s). **The date the Registrar's Office receives notification in writing with the student's original signature is the official date of withdrawal.**
