Overview

When the Carrie Babb Scholarship endowment contains unexpended funds following the awarding of scholarships, the Department of Geography, at its discretion, will publicize Carrie Babb Award(s) for student conference fees. Award amounts will be modest and variable. The awards will generally not cover all student expenses, but are intended to lessen the financial burden on students making presentations at professional meetings.

General Criteria

To be eligible for a Carrie Babb Student Conference Presentation Award, the applicant must:
1) be a student in good academic standing,
2) be presenting research conducted with Geography faculty,
3) provide documentation of formal acceptance of the paper/poster to be presented,
4) provide proof of paid conference registration including the registration fee amount, and
5) complete the application form on the reverse side of this document.

Paper/Poster Abstract

As part of a complete Carrie Babb Student Conference Presentation Award application, the student is required to submit the paper or poster abstract accepted by the conference organizers. If no abstract was required, then the student must write a one page essay on the importance of the paper/poster presentation to the his/her academic and future professional careers.

Application Evaluation

Applications and essays will be evaluated by the faculty of the Department of Geography and reviewed on an “as received” basis. Applications will be accepted and reviewed as long as Student Conference Presentation Awards are available.
