Carrie Babb
Student Internship Expense Award

Overview

When the Carrie Babb Scholarship endowment contains unexpended funds following the awarding of scholarships, the Department of Geography, at its discretion, will publicize Carrie Babb Awards for student internship expenses. The purpose of this award is to help students defray otherwise uncompensated costs of steps required to secure internships. Examples of qualifying expenses include the costs of background checks and drug tests necessary to qualify for an internship.

General Criteria

To be eligible for a Carrie Babb Student Internship Expense Award, the applicant must:
1) be a student in good academic standing,
2) be enrolling in GEG 394 Internship in Geography,
3) provide a detailed listing of fees (not KU tuition) associated with the internship, and
4) complete the application form on the reverse side of this page.

Application Evaluation

Applications will be evaluated by the faculty of the Department of Geography and reviewed on an “as received” basis. Applications will be accepted and reviewed as long as funds are available. The Department of Geography reserves the right to accept or deny identified costs on a case-by-case basis.
