

The Residence Life and Housing & Dining Services offices are promoting an initiative to assist First Year and Transfer students in getting more connected with KU. Over the course of the first 12 weeks (8/24-11/13) students are to complete all items in the right column of the form, and are to attend 5 “Bear Tracks” Presentations (left column). Once complete, the \$75.00 Housing Processing Fee will be waived for the next academic year, and the first 5 students to hand-in a completed form will be allowed to choose their housing assignment before their peers.
