Kutztown University Housing and Dining Services Residency Requirement Appeal Request

Kutztown University has established a policy that full time undergraduate students (60 earned credits or less) who are not veterans, married or living with parents or legal guardian with a zip code within a 30-mile radius of Kutztown shall be required to live in a university operated residence hall. Students interested in living off-campus must have earned at least 60 credits or have completed four (4) full semesters at Kutztown University (does not include summer sessions) before they can move off campus. The 60 credit on campus requirement will only be waived for students who commute from their home of record, withdraw from the University, take a leave of absence or chose to study abroad. Students who wish to seek an appeal to this policy, are required to apply for permission to commute daily to campus. This request must be completed using the form below, including notarization. Only the information you submit in writing will be considered when reviewing your request. You will be notified in writing (Kutztown University E-Mail), regarding the status of your request.
