- Technical Specifications
- Drawings

Authorized Document Source: Invitations for Bids including any specifications, plans, and drawings for this project must be procured from either Kutztown University, or the University's designated professional (see Special Instructions). Due to the possible inaccuracies in documents procured from other sources, and the potential for an incomplete understanding of the project scope of work, bids submitted by firms who procure these documents from any other source but the authorized source will be considered non-responsive and will be rejected.
