

# Computer Science and Information Technology

## Research Embedded in Curriculum:

- Senior Seminar courses (CSC 354 and CSC 355)
- other research-based courses vary by instructor

## Venues Where Students Have Presented:

- KUs “Senior Seminar Demo Day” (every semester): students present capstone projects; presentations in the morning and poster sessions in the afternoon
- PACISE (PA Computer and Information Science Educators), early April
- Berks County Undergraduate Research and Creativity Conference
