Exhibited Symptoms

(Student-Athletes/Coaches/Officials/Staff who show symptoms at any time - Home and/or Visitors)

- a. If an individual shows signs of known COVID-19 symptoms, or communicates a presence of symptoms, that individual should isolate.
- b. Individuals requiring isolation will do so in a location determined by their teams designated administrator.
- c. The designated Visiting administrator or coach for the individual's team will be responsible for transportation back to their campus. If individual is from the Home team, a KU Athletic Training staff would assist with additional steps.

What should **fully vaccinated** people do if they experience COVID-19 symptoms?

Although the risk that fully vaccinated people could become infected with COVID-19 is low, any fully vaccinated person who experiences symptoms consistent with COVID-19 should isolate themselves from others, be clinically evaluated for COVID-19, and tested for SARS-CoV-2 if indicated.

In-game protocols

- a. Outdoors: No masking restrictions
- b. Indoors: Masking is required indoors except for student-athletes during game activities.
 1. All student-athletes, coaches, athletic trainers, and game day staff not actively playing within the designated playing surface **must have masks on at all times.**
- c. Activities that increase the risk of exposure to saliva are **prohibited**, including spitting, chewing gum, eating sunflower seeds, tobacco, etc.

Officials Testing:

Unvaccinated Officials are responsible for showing proof of a negative Covid-19 test the KU Games Administrator. (PCR: within 72 hours, Antigen: within 24 hours) Unvaccinated Officials must wear a mask if no negative test presented.
