Apply for Your Military Benefits

To use the benefit(s) that you qualify for, you must be prepared. Here's a step-by-step list of actions you should take before you start classes at KU.

Benefits Checklist

❑ **STEP 1: Determine the benefits you may qualify for** based on your U.S. military branch of service and military status (Active, Reserve, Guard, Qualified Family Member/Dependent, etc.) See 'Eligibility Charts,' page 4.

- Confirm your eligibility for each benefit by reading the eligibility requirements located at the link for each benefit. See 'Online Benefits Resources,' page 13.

❑ **STEP 2:** Each benefit has its own application, application process, and deadline. **Apply for each benefit that you qualify for** and follow the guidelines for each benefit.

- Qualified family members who are using military benefits must apply for the benefit in their own name. The benefit approval form sent to the Service member cannot be used to request benefits. *****You will not receive benefits if you do not submit a formal application***.**

VA GI BILL APPLICATION TIPS

✚ Go to <https://www.va.gov/education/how-to-apply/> to apply for your VA Benefits, have the following documents easily accessible: DD 214, member 4 copy | Bank Account Information- Routing and Account numbers | Address for High School | KU Address is 15200 Kutztown Road, Kutztown, PA 19530

✚ After you are approved to use the VA GI Bill that you qualify for, you do not have to apply again to use the same benefit.

✚ Other military education benefits require that a new application be submitted on an annual or semester basis. (e.g. EAP, TA)

❑ **STEP 3: [AFTER REGISTERING FOR CLASSES]**

Complete and submit your KU VS Enrollment Certification Request form to KU's VA School Certifying Official (see Step 5). Indicate which benefit (one or more) you plan to use in the upcoming semester. *****You will not receive benefits if form is not submitted***.**

- A. Incoming students will complete this form during New Student Orientation, or can download from the Forms section of www.kutztown.edu/veterans.
- B. You must submit this form every semester you want to use your military benefits **or you will not receive your military benefits payment(s)**.
- C. Inform KU's VA School Certifying Official if you make **ANY** changes to your class schedule (i.e. drop/withdraw from a class, add a class, fall below 12 credits, or take a leave of absence) before you make the change.

****Some class schedule changes can adversely impact your military benefits, causing a debt that the student must repay out of pocket.**

❑ **STEP 4: Be on the lookout for your confirmation of benefit eligibility forms, make a copy and submit.** Each benefit has its own confirmation letter.

Collect and submit your confirmation of benefit eligibility form and required paperwork to KU's V School Certifying Official, before the start of the semester.

- A. VA GI Bill (all, except Chp. 31) – The VA mails a Certificate of Eligibility (COE) letter to the student's address that was provided on their application. Submit to KU, see Step 5.
- B. VA GI Bill (Chapter 31, only) – Once approved, your V&RE case manager will process and provide confirmation to the student and the school.

C. EAP and MFEP – KU receives a roster from the State EAP office at the beginning of each semester. A confirmation letter is also mailed to the student's address provided on their application. Provide letter **only** if requested.

D. FTA – KU receives a TA Authorization form from the TA Representative. Student will also receive an electronic authorization form. Provide authorization.

❗ **KU cannot certify you to receive VA benefit funding until the following required paperwork is submitted.**

Students must certify their attendance by calling VA Education W.A.V.E. hotline or via the VA W.A.V.E. website. See Online Benefits Resources section for contact information.

- ❗ **Students will need their VA File Number, which is their Social Security Number.**
- ❗ **The VA recommends that students *certify their attendance on the last day of each month* of school attendance.**

****Remember**

Paying For School Using Military Funding/Aid

Military funding does not cover the full costs of college attendance for all benefit users. Factors such as the type of benefit you're eligible for and your status at KU (e.g. FT, PT, # of credits, living on or off campus, choosing a meal plan, etc.) must be considered.

*Example:

Student using benefits that are paid to KU (School)

Tuition + Fees + Housing + Meal Plan = [Total Bill Due] – [Military Aid paid to KU] = Remaining Balance Due by Due Date

Student using benefits that are paid to Student (Home)

Tuition + Fees + Housing + Meal Plan = [Total Bill Due] = Total Bill Due by Due Date

* This example is for a student living on campus. Students who are not living on campus or purchasing a meal plan should deduct these costs to obtain an accurate total due.

- **DEFERRED COSTS** (A cost you owe and are billed for, but do not have to pay by the due date, because payment is expected to be made through direct military funding. A courtesy hold is granted).
 - Some funding allows us to defer some costs while we wait for the funding to be paid to KU (direct), while other funding is paid to the student (indirect) and cannot be deferred.
- The Benefits At-A-Glance chart (pg. 6) indicates if a benefit is paid directly to KU or Student
- The Military Funding Checklist also indicates where benefits are paid, and what is paid
- After a military funding deferment is applied to the student's bill, the student is responsible to pay all remaining balances by the due date using payment plans or other financial aid options found at <https://www.kutztown.edu/affordability/guide-to-financial-aid.html>.
- Not all students are eligible to receive a deferment – it depends on the benefit they're using
- Note: If it's later determined during the student's enrollment that military funding will not cover the costs, the student must pay the costs that were deferred.

MILITARY TRANSCRIPTS

Students may obtain college credit for equivalent military training. The number of credits awarded depends on the student's military career field and academic major. A minimum of 3 credits from basic training can be awarded, more credits may be awarded when the major and military specialty closely align.
