

Granting Permissions to use aid to pay Miscellaneous Items

Per federal regulations, students must GRANT permission to Kutztown University to use their Title IV aid, or Other Aid to pay off miscellaneous charges. The steps to do this are below. Below the steps, we have listed screen shots for assistance in this easy process.

The benefit to granting permissions for aid to be used to pay miscellaneous charges, is so that any aid a student does receive can pay any current charges due that are miscellaneous on the students account.. Not doing this, will mean the student will have to pay us independently for those charges and we cannot retain those aid amounts on the student's behalf.

Miscellaneous charges include, but are not limited to: Bookstore Vouchers, Health Center charges for services, ID card replacements and more.

Title IV Aid – Includes but not limited to: Stafford Loans, Pell Grants, Grad Plus loans.

Other Aid – Includes but not limited to: PHEAA state grants.
