College of Business

Nestle USA, Distribution Center, Allentown, PA

Featured Speaker:

Jonathan E. Clancy, General Manager

Jonathan E. Clancy is responsible for the Allentown site, Nestle USA, Distribution Center (approximately one million square feet). This includes the actual warehouse (Nestle USA's largest) and Private Fleet. Mr. Clancy oversees all operations, while focusing on safety, quality and other regulatory guidelines. He manages the operational budget, including purchasing/managing equipment assets, headcount and revenue streams. Mr. Clancy works with sales, marketing, finance, customer service, engineering, and the other sister sites.

Mr. Clancy graduated in 2001 with a B.A. in Political Science, concentrating in Pre-Law and was commissioned a 2nd Lieutenant in the US Army. Graduated as a military distinguished honor graduate. He was "branched" Quartermaster (Logistics) and served on active duty in the Army for four years. He held various positions while in the Army, including Platoon Leader, Warehouse Officer in Charge, Company Executive Officer, Battalion Personnel Officer, General's Aide, Supply and Service Officer and Battalion Logistics Officer. As a Captain, he resigned his commission after active duty obligations in 2005 and accepted a job offer with Nestle USA as a supply planner for their Confections & Snacks Division, located in Glendale, CA. Since then, he moved into a Supply Chain Manager role (Confections & Snacks, Glendale, CA), Operations Manager (Beverage Factory and Distribution Center in Anderson, IN) and currently, General Manager for the Allentown, PA Distribution Center.

Mr. Clancy will provide information to students on the career opportunities in the operations and supply chain management field as well as information about Nestle USA. Students will have the opportunity to ask questions at the end of the presentation.

AACSB Mentor visit – Dr. Danny Arnold

Association to Advance Collegiate Schools of Business

Dr. Danny Arnold, Chair of the Department of International Business, Rollins College and former business dean at 4 universities serves as KU's AACSB mentor. On Thursday and Friday, September 19 and 20 he made his fourth once a year visit to KU. The purpose of his visits is to provide KU with advice on carrying out its AACSB Accreditation Plan and to inform the Initial Accreditation Committee of the AACSB on his observations regarding the effectiveness of KU in carrying out its accreditation plan. On September 20, Dr. Arnold held meetings with the College's Steering and Strategic Planning Committee, Assurance of Learning Committee, department chairs, and the faculty of the Department of Business Administration to provide perspectives and advice on satisfying AACSB accreditation standards. On Friday morning, Sept. 21 Dr. Arnold met with the College's Business Advisory Board followed by a meeting with President Cevallos and members of the Provost's Office.

HOW TO...

TO DECLARE A DISTINCT MAJOR IN THE COLLEGE OF BUSINESS:
Students already declared in the BSBA Business Core program who wish to declare a specific major should report to Dr. Roger Hibbs, Chair, Department of Business Administration for advisement and to complete the necessary form. The DBA Secretary or Donna DeLong, are located in room 233 deFran

Students must have all core courses completed with a 2.0 GPA before declaring a distinct major in Business:
- ACC 121 Financial Accounting
- ACC 122 Managerial Accounting
- BUS 120 Business Statistics
- BUS 151 Business Law I
- BUS 171 Business Information Systems
- ECO 011 Prin. of Macroeconomics
- ECO 012 Prin. Of Microeconomics

TO CHANGE MAJOR INTO THE BSBA BUSINESS CORE PROGRAM:
All students in good academic standing who have earned at least a 2.0 grade point average, overall, are eligible to change their major. Report to Dr. Roger Hibbs, Chair, or Dr. Donna Steslow, Assistant Chair of the Department of Business Administration for advisement and to complete the form. The department secretary, Donna DeLong, is located in room 233 deFran. Students are given a change of major form and a COB advisement guideline and program checksheet. Dr. Hibbs or Dr. Steslow will review the academic record and provide advisement and options for course selection. The change of curriculum form must be signed by the student and will be processed by the Registrar's Office. A new College of Business advisor will then be assigned.

BSBA BUSINESS STUDENT INTERNSHIP PROGRAM
The College of Business Internship Program is designed to enhance the student's formal academic education by providing an opportunity for the student to test skills and knowledge via exposure to an actual institutional or commercial enterprise. This supervised experience provides an arena for the practical integration of knowledge during the formal learning process as well as an opportunity to acquire experience and knowledge beyond that available within the confines of the existing curriculum. Students benefit both personally and professionally from the expanded perspectives provided by the professional supervisor and the guidance of the faculty supervisor in evaluating this learning experience. Internships are graded on a Pass/Fail basis.

QUALIFYING FOR AN INTERNSHIP FOR CREDIT
You may qualify for an internship if you:
- Have, or will have, 60 credits completed by the beginning of the term in which the internship will occur
- Have, or will have, completed the business core with a QPA of 2.0 or better
- Have, or will have, an overall QPA of 2.0 or better.

For more information regarding internships and deadline dates, please visit: www.kutztown.edu/academics/business/internship.aspx or The Career Development Center website: http://cdc.dept.kutztown.edu/

**It's advisement time!**

Advisement begins on **October 23rd and ends November 20th.** This year it is imperative for you to meet with your advisor. Why? To make sure you graduate on time!

Currently, the business administration major is operating under four different versions of each major. Each advisor has been given a list of their advisees with the correct version number for each of their advisees. This semester the Administration has implemented a block advisement system— which means that no student may register for Spring 2013 classes until they see their academic advisor and they unblock them for registration. **THEREFORE,** you must meet your advisor at your earliest convenience to confirm that you are following the correct version of graduation requirements.

Students can find their assigned advisors by checking on MyKU. If an advisor is not listed, please see the departmental office in DF 233. Advisors will have advising times posted on their bulletin boards (or electronically) shortly before advisement begins. Please sign up at your earliest convenience. Be prepared when you visit your advisor— which means— bring along a completed check sheet (with grades written in) and a list of courses you want to take for the Spring 2013 semester. Do not come unprepared— advisors have a heavy advising load and cannot advise properly if students are unprepared.

Accounting and Finance majors— course sequencing is a major concern. Many accounting and finance courses are only offered every other semester. Students create a problem when they do not successfully complete a course that is only offered every other semester and this course is a pre-requisite for the next course in the sequence. Using your check sheet, make sure you are taking the right course and you successfully complete the course.

Also worth repeating is the business core requirements. At the end of this semester, if a student has successfully completed all seven business core courses with an overall GPA of at least a 2.0, they must declare their major to take upper level courses in their major. This is of particular interest to students who are currently taking the last of the core courses this semester. You will be allowed to tentatively schedule upper level courses in your major pending successful completion all the core courses with at least a 2.0 GPA overall. If the student does not successfully complete the core, they will have all upper level courses (300 level) dropped from their Spring schedule. So, any student anticipating completing the core this semester has to develop a plan “A” - a Spring semester with upper level courses, and a plan “B” - a spring schedule that repeats core courses to bring their GPA up.
Assistant Chair,
Department of Business Administration

Dr. Donna Steslow was chosen as Assistant Chair of the Department of Business Administration. "I provide support to the department in the areas of advising and curriculum and support Dr. Roger Hibbs with his duties as Chair. I meet with students enrolled at KU interested in transferring to the BSBA program. Please feel free to stop by if you have any questions regarding your degree requirements, which curriculum version you are enrolled in, or any other concerns."

Department of Business Administration, Research Workshop

On Monday, September 24th, Dr. Rajeev Kumar's workshop presentation titled "A Smart Market of Privacy" was well received by attendees; they all agreed they learned something about the "Computation Complexities Theory." Dr. Kumar teaches courses in information systems in the Department of Business Administration.

Upcoming programs are scheduled:

Monday, October 22 - "Selling Television Commercial Times under Competition: An Equilibrium Analysis" by Dr. Qin Geng.

Monday, November 26 - "Factors Associated with Student Performance in the Introductory Finance Course" by Dr. Keshav Gupta.

The primary objective of the workshop is to provide faculty working on research projects in the early stages of development an opportunity to get feedback from a large number of colleagues. The expected constructive feedback should strengthen the paper and increase its chance of getting published in a respected refereed journal. Consequently, this should help us in achieving our goal of obtaining AACSB accreditation. Workshop programs are coordinated by Dr. Mostafa Maksy, Department of Business Administration.

Katherine M. Irace is the College of Business Student liaison on the Student Government Board for the 2012-13 year. Katherine is a sophomore enrolled in the BSBA business program. She is involved in the Habitat for Humanity, Care Bears Organization, member of Budget and Finance Committee, serves on the Student Advocacy Committee, and Student Representative on KUSSI Board of Directors.

Dr. Dan Benson
Chair, Professional Studies

The Department of Professional Studies has developed a series of courses primarily for non-business majors. The goal of the courses is to increase students' understanding of the environment in which non-profit businesses and governmental units operate and the principles that govern their operation. Virtually all students, regardless of major, will eventually be employed by non-profit or governmental business organizations.

These courses are offered Spring 2013 semester:

- ECO 010 - Introduction to Economics (non-business majors)
- PRO 100 - Organization and Function of Enterprises
- PRO 120 - Accounting Survey for Professional Studies
- PRO 130 - Practical Leadership
- PRO 185 - Fundamentals of Personal Finance

(Courses can be used under general education elective category only)

Any questions regarding these offerings please contact Dr. Dan Benson.
Exchange Students - Denmark, Germany

We asked Lucia and Inga to comment about the KU campus, community and things they have done since arriving in Pennsylvania.

Inga Trautmann and Lucia Apfelbeck are taking courses in the Masters in Business Administration program at KU. They are one semester exchange students to KU from Southern Denmark University. Both Inga and Lucia have already been to the International Day of Peace at the UN Headquarters and to a Phillies ball game.

For the next weeks and months they plan to visit New York City, Washington DC, Philadelphia, and Boston and, perhaps some other nice places nearby. Inga has already studied in Denmark, Germany and the UK. "I would say that studying in the United States is not that different."

I think it is a real pity that for me as a graduate student there are only a few courses offered during the semester. But the courses I could select fit perfectly into my studies. They are very interesting and rich in variety. As an international student you meet a lot of other internationals and everyone working with internationals is very nice and they arrange many different activities. Besides university employees the persons organizing the open house events are very involved in creating a familiar atmosphere. Everyone I met is very helpful and wants to create a nice stay in Kutztown.

"For me as a German was it also very interesting to meet some Amish and to hear them talk Pennsylvania Dutch and talk German to them."

Both students agree, they really like the food at the Basin Street Hotel and especially the wings. They also want to make plans to go to the TK's Sushi House in the future. For students who like to prepare their own food, they fully recommend everybody to check out the Renninger's Farmers Market.

After studying at KU and returning home, Inga commented that she needs to work and earn some money and will finish her studies and write her master thesis. Inga said, "After that I am looking forward to start working. Because of my special branch of study I will gain a German and a Danish diploma. That is why I would like to work in Denmark or at a job which is related to both Germany and Denmark." Lucia said, "I come from Germany and I do my Masters' degree at the University of Southern Denmark in Odense, a nice city in Denmark. I am doing my 3rd semester here at KU as an exchange semester abroad."

Exchange Students - INHOLLAND, The Netherlands

Mika de Lincel, Jillian Van Iperen and Alexander Kimmel are undergraduate business majors from INHOLLAND University, The Netherlands.

Mika Hinz and David Lorenz are undergraduate business majors from Reutlingen University, Germany.

Mika de Lincel, Jillian van Iperen and Alex Kimmel are undergraduate business majors attending Kutztown University for the fall 2012 semester. Mika de Lincel is a Business Management major who enrolled 5 classes in the Department of Business Administration at KU which he finds all quite interesting.

"The KU Campus compared to my campus in the Netherlands is enormous. We only have one big building, which is couple of times bigger than the Old Main building and that's our school. So that is one of the biggest differences between the two schools. I love the Pennsylvania area, because the landscape is beautiful and there is a lot of nature. And other than Kutztown/Reading I haven't really visited anything else besides this. "Mika has traveled to the west coast of the United States a few years ago and has visited Nevada twice. At the beginning of this year, he visited Washington D.C.

"As a Business Management major I think it's really important to have studied abroad, because the experience will help me out later when working in an international environment. The study abroad also helps me out with working on my communication skills and I meet a lot of friendly and cool people and as this semester goes on I hope to meet a lot more people!"

Exchange Students - Reutlingen University, Germany

Marina Hinz and David Lorenz are exchange students to Kutztown University from Reutlingen University, Germany. Both are enrolled in the international business major at their school.

Marina and David are enrolled in courses for the fall 2012 semester offered out of the Department of Business Administration. Marina provided the following comments about herself and study at Kutztown.

"The courses are different than in Germany because we usually work with a script from the Professor and use the book as an additional help. We do not have so much homework and assignments as we have here. Usually we have a group project and a final exam instead of regular assignments. This means that the workload here is much higher. That doesn't automatically mean that study in Germany is easier, it's just different and demands a lot of self discipline because the student has to decide how much to study and when etc."

I can't say so much about Pennsylvania because I haven't traveled around yet (because of the continuous workload of assignments and tests) but people keep saying that Pennsylvania is much slower than the rest of the states and that people especially in Kutztown like to be to themselves. Marina would love to have more time for travel, because she feels it is really important to get to know different cities and people to be able to judge and to get a broader view of everything. Kutztown is very small. She hopes during the Thanksgiving break she will have more time to travel -- go to Washington and Boston. Marina commented, "exchange programs are especially important for people that study business because it helps to understand other cultures and views of others. It gives you more ideas and makes you see things from a different perspective. This not only is important for my future career but also for my personal development. I have been already to a lot of other countries and I also lived in Spain and the United Kingdom and I really enjoyed making these different experiences. I have learned a lot about myself. It also makes you learn to appreciate a lot of things of your home country or the people that are close to you, which in my opinion is one of the most important things I have learned."
COB Club Happenings

Finance Club

On Tuesday, March 1st the Finance club hosted Mr. Anthony DeVicaris of PENN Capital Management. Mr. DeVicaris is the Vice President and Partner of PENN Capital Management. He specializes in servicing institutional clients and marketing to national and regional consultants.

Dr. John Walker has been a co-adviser of the Finance Club since his arrival at KU in the fall of 2006. He enjoys helping the Finance Club officers plan their events and recruit speakers. Over the last several years, the Club has earned the "superior chapter" designation from the Financial Managers Society. The Club's officers are registered and planning to attend this month's FMA meeting in NYC to learn more about leadership and ways to build a strong chapter. Recently they hosted two KU alumni from Penn Capital who spoke to the Finance Club on high yield bonds and participated in the Etiquette Dinner for business seniors. Later this month, we will welcome back to KU recent alumna Zach Phipps who is now working for SEI Investments and recently passed level 1 of the CFA exam.

Dr. Keshav Gupta has been the Finance Club advisor for 20 years. He also established Financial Management Association, Kutztown University Chapter, in 1992. Over the last three years Kutztown University Chapter has been twice awarded Superior Chapter designation by the Financial Management Association International.

Global Sport Business Leadership Program

As part of the Global Sport Business Leadership Program, the 2012 US Sport Business Forum was held on August 28-29, 2012 on the KU campus. Eighteen sport practitioners from Korea, including the CEOs and managers of Korea sport organizations, and government officials, visited KU and had a meeting to develop and promote the Korea sport industry. The visiting group discussed the direction of the Korea sport industry and issues that the Korea sport education and industry is currently facing. Faculty members in the Sport Management Department made presentations for discussion topics including the US sport history and culture, sport leadership, student-athletes management, sport finance in the meeting: speakers Drs. Soojin Kim, Christine Lottes, Lorri Engstrom, Fred Garman, and Mr. Bamberger. The forum is sponsored by Korea Sports Promotion Foundation and DaeKyo CSA. The program was managed and organized under Dr. Yongjae Kim's leadership.

Brandt Finishes L.S.S. Internship for Hershey Food Company

Rebecca "Becca" Brandt completed her required L.S.S. internship working at Hershey Food Co., Hershey, PA. Her primary responsibility was the planning and execution of the Great American Track & Field Meet. Not only was Becca responsible for the pre-meet planning, one of her main projects was the planning and management of the opening day ceremonies which included an appearance by track-great Carl Lewis (see photo). Additionally, Becca was chosen to address all of the athletes, their families, and fans at the closing ceremony. We are proud of you Becca!

Welcome New Faculty Member-Kerri Cebula

Kerri Cebula earned her Bachelor's degree in Political Science and Justice from American University in Washington, D.C. in 2000 and her Juris Doctor from Marquette University Law School in Milwaukee, Wisconsin in 2006. While at Marquette, she earned the Certificate in Sports Law from the National Sports Law Institute of Marquette University Law School.

She began her career in intercollegiate athletics compliance at Villanova University, where she served as the compliance intern for 2000-2001 before taking over as the Assistant Compliance Coordinator in June 2001.

While in law school, she worked as a legal intern with the Wisconsin State Fair Park and the Pettit National Ice Center, both in West Allis, Wisconsin and as a legal intern with the Hunt Law Group, S.C. in Milwaukee. She was a member of the Marquette Sports Law Review and served as a research assistant to Professor Paul Anderson, Associate Director of the National Sports Law Institute.

In 2007, she was named the Compliance Coordinator at the University of Delaware and in 2010, she was named the Student-Athlete Eligibility and Financial Aid Coordinator. In 2012, she was named an Assistant Professor of Sport Management at Kutztown University.
Dr. Shawn Riley joined KU as an associate professor of management in fall 2012 and is currently teaching capstone strategic management courses for both undergraduate and MBA students. He received his B.A. in economics from Westfield State University, his M.B.A. from the University of Massachusetts Amherst, and his Ph.D. in strategic management from the University of Illinois at Urbana-Champaign.

Prior to arriving in Kutztown, Dr. Riley was a visiting faculty member at the University of Washington Tacoma, where he taught courses in strategic management and entrepreneurship. He enjoys working with students and has been recognized for his teaching on multiple occasions at both the University of Illinois and the University of Washington Tacoma.

Dr. Riley's primary research interests involve examining the value of firm investments in human capital and the possible complementarity of those investments with other strategic resources of the firm. Work from his dissertation is currently under review at his discipline's top journal, the Strategic Management Journal.

Dr. Riley is excited to be here in Kutztown and looks forward to working closely with students and also the supportive and very collegial faculty in the College of Business. He is a member of the Assurance of Learning (AoL) Committee and is looking forward to being of assistance as KU proceeds towards AACSB accreditation.

In spare time, he enjoys travelling, exercising, watching sports, and fishing.

Dr. Manash Ray joined KU in Fall 2012 and is currently teaching Accounting Information Systems (undergraduate) and managerial Accounting Control Systems (graduate – MBA). He is enjoying his classroom experience and his wonderful new colleagues. Ray received his Ph.D. in Business from Penn State University and an MBA from the Indian Institute of Management. Prior to joining Kutztown, Ray spent 14 years at Lehigh University, teaching a wide variety of undergraduate and graduate courses. After a few years in consulting, where he had the opportunity to apply management principles to business problems, he joined Towson University in 2008 as the Chair of the Accounting department, where he successfully led the efforts to secure reaccreditation from the AACSB.

While at Lehigh, Ray received the Alfred Noble Robinson Award from the University in 1991 for "outstanding performance in the service to the University and unusual promise of professional development," and the Carl and Inge Beideman Award for excellence in business research in 2000. He is also the winner of two dissertation awards from the AICPA and the National Association of Accountants.

Ray’s teaching and research interests include managerial accounting, accounting information systems, advanced cost management, total quality management and supply chain management. He has developed many courses including most recently, a freshman seminar course at Towson University entitled, "Accounting Counts: From Pacioli to the SEC." In addition to a book on Total Quality Management, Ray has published twenty two articles in peer reviewed journals in accounting and interdisciplinary areas.

He enjoys working with students as well as working with alumni and University stakeholders. In the past, he has championed new student clubs and has actively worked to capture the voice of students while working on curriculum and career development initiatives. In his spare time, he enjoys travelling, reading science fiction and listening to music.

The College of Business Advisory Board met on Friday, September 21 at 7:30 am, MSU 223. The agenda items included meeting Dr. Danny Arnold, KU’s AACSB mentor, confirming committee sub-groups and initiatives, and determining the role and action items for the academic year. Dr. Danny Arnold provided an overview on what the AACSB, Association to Advance Collegiate Schools of Business, expects an Advisory Board to do, as well as, to answer questions from Board members. Dr. Eileen Hogan and Dr. Therese Maksula from the Department of Business Administration were guests at the meeting. Dr. Hogan is working with Dean Dempsey for the assurance of learning initiatives and is part of the AACSB team at KU. Dr. Maksula serves as the recruitment chair for the Department of Business administration and answered questions about recruiting efforts and faculty qualifications. She was discussion about the key roles and Insights the Board members will play in moving the College of Business toward AACSB accreditation. Mr. Jason Ketter, Executive Director for KU Foundation, attended the meeting. Mr. Peter Rittenhouse, Chair for the Board, and all members present engaged in conversation related to ways the College of Business, KU Foundation and Advisory board members could work together on planning and other initiatives. The Board will meet again on Monday, November 5 at 3:00 pm. A program is being planned with College of Business students for 6PM that evening.

The Careerealism™ site says they exist "Because every job is temporary." The latest statistics predict that you may not just change employers 5-7 times, but change CAREERS just as many times! How will this affect you, the New Employee as you enter a Job Market that is in a never-ending pattern of change? How about embracing this New Employment Contract? Identify the new "rules" and take charge of your career! This informative presentation will provide practical advice on how to get the most out of The New Workplace.
The Small Business Development Center at Kutztown University was begun in 1993. The Kutztown University SBDC provides general business consulting services and educational programs to entrepreneurs looking to start or grow a small business in Dauphin, Lancaster, Lebanon, Berks and Chester Counties. The Kutztown University SBDC also offers specialty consulting in the areas of international marketing and government marketing in Dauphin, Lancaster, Lebanon, Berks and Chester Counties as well as York, Adams, Franklin and Cumberland Counties. From helping aspiring entrepreneurs turn ideas into businesses, to helping small firms expand, to providing the information every business person needs to make critical decisions, the SBDC is the resource entrepreneurs in all industry sectors can turn to for help - help that can make the difference between success and failure.
