KU Master Plan Presentation

Carol Sztaba & Jeff Grimm

After all presentations of KU Master Plan are completed on Campus, all feedback will be compiled and submitted to Dr. Cevallos and COT for approval. Then proposal is sent to PASSHE for review and when approved, a Steering Committee is formed of people who use the buildings that are going to be renovated, etc. for input on renovation projects.

Dr. Quinn requested that the KU Master Plan be presented at the REB Council Meeting in December.
