KUMU Drumline Camp  
August 12 – August 23, 2015

June 15, 2015

Dear KUMU Drumline Member,

I am looking forward to another great year of KUMU. This letter is one of the most important you will receive; you will find a detailed schedule for the 2015 KUMU band camp. I can’t stress to you enough to PLEASE take your time in reading through all of this material so you can truly understand everything expected of you during camp.

First, you need to register for the KUMU Text Alert System. Text "2015KUUNIT" to 84483. This is how we will communicate all season. Also, you will be allowed to move into your permanent KU housing for the academic year on the day you arrive for camp. In order to accomplish this safely and efficiently, you will need to know the following:

1. On Wednesday, August 12 you will register with KUMU BEFORE moving in to housing. This will be done in Schaeffer 114. A campus map is available at [http://www2.kutztown.edu/CampusMap](http://www2.kutztown.edu/CampusMap). Be sure you have all your required band materials (registration form, money, music, etc.). After registration with KUMU, you will move in. Those of you who will be living OFF CAMPUS during the school year, you MUST contact me (neuensch@kutztown.edu or 217-778-2699) immediately to arrange for housing during camp.
2. You MUST have your student ID with you when you register for housing, camp, and while you are at camp.
3. If you lose your ID, electronic dorm key, or assigned PIN card during camp, there is no one on campus able to assist you until 4:00 p.m. on August, 18. You MUST be very responsible with your possessions at all times.
4. Students NEW to KU (Freshman or transfer) will need to make sure you have all of your vaccine forms up-to-date and turned into the University; especially your meningitis vaccination form. If you have not taken care of your vaccine materials, you will not be issued a key and will not be allowed to stay on campus.
5. Freshman and transfer students who are using KU housing for the entire year, you are STRONGLY advised to contact your roommate(s) now to let them know you are moving in early because of band camp. NO, they are NOT allowed to move in early. This will save you headaches later.
6. Make sure you have your student ID with you at all times during camp.

**Housing** at band camp is provided in KU housing. If you are living OFF CAMPUS for the school year, you need to contact me IMMEDIATELY to arrange for campus housing during band camp. Please see the attached detailed 2015 band camp schedule. Contact me if you have questions.

**Food** at camp is provided by KUMU. There is no breakfast served on Saturdays or Sundays during camp, campers will use KU Foodservice. Beginning with breakfast on Wednesday, August 19, students living in the dorms will have active meal plans through your KU housing and meals program. Off-campus members will receive meals through dinner on August 21. You will need to provide for your own food on Saturday & Sunday mornings.

**Health** at camp is always important. Traditionally it is quite hot and sunny during camp. Students are responsible for downloading the required & recommended items to bring for camp. This list is available by clicking on the link: FORMS. You MUST take care of yourself physically & mentally at camp.

**Show music** is available through our percussion caption head CJ. Please contact him about music.

**Pregame, traditional, & stand music** is important. Pregame music needs to be memorized prior to arrival at camp. Please contact me via e-mail to obtain your pregame, traditional, and stand music. If you have questions, contact me IMMEDIATELY. Pregame music is: Bears Fanfare, Eat ‘Em Up, Pennsylvania Song, Let’s Go Bears, Patriotic Medley, KU Fight Song, & the National Anthem.

Since marching band is a physical activity and we will be outside as much as possible, PLEASE take the time now to start preparing for your time at camp. This includes beginning a light to moderate DAILY exercise routine that includes stretching, walking/jogging, sunscreen usage, hydration, and proper clothing choices. Tennis shoes are mandatory during your entire time at camp; absolutely no sandals or flip-flops will be tolerated. The expectations for KUMU are high and I am counting on YOU to be a leader at all times.

Additionally, since there is not a lot of time allowed for your move in to housing at the start of camp, I am telling you now to only bring the essentials and a few more accessories, especially if your home is within a 1 hour drive of campus. If you live farther away, I

trust you will make good decisions to enable your full participation at camp. And, after August 24, you will have plenty of time to add to your college collection of goodies.

The season schedule should be referred to frequently. Please keep this schedule in a safe but easy to access spot for frequent reference.

In closing, take the time now to make sure you have everything you need ready to go when move-in day arrives. Also, I remind you to sign up for KUMU Texts by sending 2015KUUNIT to 84483. Texting is the primary mode of communication in KUMU. Check our KUMU Facebook page frequently (you will find announcements posted there). Please make sure you check your official KU e-mail regularly. If you find you have questions that only I can answer, please do not hesitate to contact me now. I look forward to working with you in August to produce some great music and entertainment for our fans.

Sincerely,

Daniel Neuenschwander
