The six credits prerequisite in undergraduate courses has been upgraded to graduate credits. Completion of the Extension of Certification Track requires 36 credits. Courses in Specialization: add: LIB 509, LIB 511, LIB 513, and LIB 525 to this area; credits under this area increased from 15 credits to 27 credits. Specialization Electives: this area has been re-aligned and no longer exists. The advanced reference courses (Literature of the Humanities, Literature of the Social Sciences, and Literature of the Sciences and Technology) are being retained as elective courses. Fieldwork components were added to each course to allow students to apply their knowledge to actual situations. Fieldwork: LIB 590 (3 SH) remains as required course; the statement: “PRAXIS II (at end of coursework)” now appears under the Fieldwork area of the check sheet. MLS Requirement: To obtain an MLS, the student must complete the above and two additional courses: LIB 500 (3 SH), and LIB/ITC Graduate Elective (3 SH). Revision of the program check sheet is necessary identified with the new version number 20093.
