Kutztown University  
Veterans Peer Sponsorship Program  

The purpose of the Veterans Peer Sponsorship Program is to help incoming military-affiliated students transition smoothly into KU with the help of current student-Veterans.  

To request a sponsor  
Complete the below application and submit it to the Veterans Services Center. After we receive your application we will work to match you with another student-Veteran. Sponsors will initiate first contact as soon as possible (but usually not more than 48 hours).  

Helpful Sponsors  
KU Sponsors are professional, courteous, and knowledgeable about KU’s campus. KU Sponsors care, are available and dependable!  

Sponsorship Tips  
Before you hear from your sponsor make a list of questions you would like to ask. Ask the sponsor who to contact if you have questions they cannot answer. Arrange a time when you and your sponsor can meet face-to-face on campus. Additionally,  

- Take a campus tour with your sponsor. Key places to know are: The Stratton Administration Building, Health & Wellness Center, Eateries (north and south campus), Recreation Center, McFarland Student Union, Rohrbach Library, and where to find your advisor’s office.  
- Take advantage of your sponsor's knowledge of KU, on and off campus life, recommended professors, etc.  
- Get involved on campus through a student organization such as the Military Club or any of our other clubs, organizations, intramural sports teams, etc.  
- Stay in contact; meet for coffee, walk to class together, call to ask questions or report on your progress.  
- Be patient! Sponsors are students too and may not have experienced the same situation you are facing. Contact the Veterans Services Office for additional guidance (veterans@kutztown.edu or 610-683-4228).  

Submit the bottom application to the Veterans Center and keep the top
