

Dr. Paul Ache

Department Chair, Mathematics

- Technology in the classroom
- Mathematics curriculum reform
- Graphing Calculator
- Developmental mathematics
- Mathematics for elementary schools
- Common core Mathematics Assessment
- Standardized testing

Dr. Roman Altshuler

Assistant Professor, Philosophy

- Free will
- GRE test preparation

Dr. Hank Alviani

Associate Professor, Music

- Director of Choral studies
- Conducting
- Voice
- Peace Corps Volunteer
- Published Composer
- Author

Dr. Angelika Marie Antoni

Associate Professor, Biology

- Articulation agreements
- Biology
- Auto immunity
- Cancer
- Biomedical research
- Microbiome

Dr. Marilyn Baguinon

Associate Professor, Biology

- Molecular biology
- Biotechnology
- Biochemistry
- Microbiology

Dr. Greg Bamberger

Director of Athletics, Intercollegiate Athletics

- Athletes
- Sports
- Leadership
- Sports management

Dr. William Bender

Instructor, Social Work

- Reading, Pa
- Poverty
- Act 47

Mr. James Bland

Adjunct Professor, Business Administration

- Small business owner
- Marketing
- Sales
- Nonprofit administrator

Dr. Anthony Charles Bleach

Associate Professor, English

- Film Studies
- Media Studies

Dr. Christopher Bloh

Associate Professor, Special Education

- Applied behavior analysis
- Autism

Dr. Denise Bosler

Associate Professor, Communication Design

- Typography
- Design
- Illustration

Dr. Martin Brill

Program Manager, International Trade, Harrisburg, KU Small Business Development Center

- International business and trade issues
- Unfair trade practices

- Risk mitigating and cross border risks
- Pennsylvania –effects of trade
- Trade finance
- Agriculture exports
- Cross border trade negotiations
- Effective trade show techniques
- Overseas marketing
- Business & Marketing Plans
- Business Continuity Planning

Mr. Richard Brogan

Instructor, Business Administration

- Accounting insurance
- Financial services
- Taxation

Ms. Mary Brown

Assistant Professor, Fine Arts/ Art History

- General art history
- Pre-Columbian art history
- Textiles
- International volunteer work
- Peace Corps

Dr. Jeanie Burnett

Professor, Elementary Education

- Reading
- Teacher accreditation
- English language arts

Dr. Mario L. Cardozo

Assistant Professor, Geography

- GIS
- Remote Sensing
- Conservation
- Land use
- Latin American Geography
- Bio Geography

Ms. Leah Cassellia

Director, Student Involvement Academic & Student Affairs

- Student life programming
- Working with college students
- Student involvement
- Student Engagement

Dr. Angela M. Circucci

Assistant Professor, Communication Studies

- Social media
- Identity
- Philosophy of programming structures
- Facebook, Twitter, Instagram
- Privacy online
- Online authenticity
-

Ms. Kate Clair

Professor, Communication Design

- Graphic Design
- Typography

Dr. Colleen Clemens

Assistant Professor, Non-Western Literatures, English

- English
- Women's Studies
- Gender Studies

Dr. Joanne Cohen Hamilton

Associate Professor, Counseling & Human Services

- Marriage and couples counseling
- Family counseling
- Addictions counseling
- Post-traumatic stress disorder
- Child and adolescent therapy
- Veteran and family adjustment, rebuilding and returning home
- Elder abuse

Ms. Frances C. Cortez Funk

Director of Health Promotion and Alcohol & Other Drug Services

- Wellness programs & events on campus
- Alcohol & other drug prevention programs and campaigns
- Community networking

- Health & wellness speakers on campus
- Tobacco-free initiatives

Dr. Richard Courtney

Associate Professor, Geography

- Demographic maps
- Cartography in the GIS environment

Dr. Emily Cripe

Assistant Professor, Communication Studies

- Breastfeeding
- Health communication
- Social support

Dr. Jason Crockett

Assistant Professor, Anthropology/Sociology

- Sexuality and GLBTQ issues
- Social movements
- Co-housing and intentional communities

Dr. Kunal Das

Professor, Physical Science

- Nanotechnology
- Physics
- Cold atoms
- Technological Issues

Dr. Mike Demeter

Associate Dean of Students

- Academic & Student Affairs

Dr. Patricia Derr

Associate Professor, History

- American colonial history
- American religious history
- African-American history
- American pop culture

Dr. Sylvie Pascale Dewey

Professor, Modern Languages

- French and francophone language & cultures
- Canadian studies (Quebec) intercultural communication
- Spanish language & cultures
- Methods of teaching foreign languages

Dr. Michael Downing

Associate Professor, English

- English
- Journalism
- August Wilson
- Media trends
- Communication issues

Mr. Patrick Donmoyer

Building & Site Conservator, Pennsylvania German Cultural Heritage Center

- Cultural landscape and architecture of Pennsylvania
- Culture and language of the Pennsylvania Dutch
- Folklore, customs and folk medicine
- Hex signs and barn stars
- Translation of German language documents, inscriptions and gravestones

Mr. Robert E. Duquette CPA

Professor, Business

- Tax
- Accounting
- Corporate Tax Aggressiveness
- Federal Deficit
- Mergers & Acquisition
- Chair of Pennsylvania Institution of CPAS Tax Reform Subcommittee & Tax Policy Subcommittee

Dr. Diana Ebersole

Assistant Professor, Communication Studies

- Interpersonal communication
- Family communication
- Personal relationships
- Nonverbal communication
- Gender communication
- Lying and deception;
- Privacy & secrets
- Individual & relational health and well-being

Dr. Mary Eicholtz

Assistant Professor, Communication Studies

- Communication in the workplace
- Leadership
- Organizational culture and climate
- Women in the workplace
- Employee training and development

Ms. Beatrice Epwene

Assistant Professor, communication Studies

- Public relations
- New media
- Media-television news
- Political communication

Dr. Jennifer Forsyth

Associate Professor, English

- English
- Shakespeare
- Renaissance literature
- Literature – renaissance
- Literature – Shakespeare

Dr. Heather Fountain

Associate Professor, Art Education & Crafts

- Disability awareness
- Disability-rights
- Disability-advocacy
- Art integration
- Differentiated instruction
- Learning styles
- Teaching students with varied needs

Dr. Michael R. Gabriel

Professor, History

- American military history to 1865
- Colonial America
- Revolutionary America/Revolutionary War
- U.S. Civil War
- U.S. history to 1865

Dr. Ashwini Gangadharan

Associate Professor, Business Administration

- Principles of management, organization behavior
- Organizational leadership

Ms. Kerri Gardi

Director, Career Development Center

- Careers
- Career-development
- Job market
- Job search
- Etiquette – dining
- Etiquette – in the workplace
- Internships
- Interviewing Strategies

Dr. Janice Gasker

Professor, Social Work

- Social work education
- Economic justice in social work education

Ms. Clarissa R. Gerber

Assistant Professor, Fine Arts

- Color
- Contemporary art
- Figurative art
- Oil painting

Dr. Russell Gross

Professor, Counseling & Psychological Services

- Anxiety-managing
- Reversing heart disease
- Parenting and teenagers
- Learning disabilities
- Career counseling
- Depression-conquering the disease
- Attention deficit/ hyperactivity disorder
- Stress management-mindfulness-based
- Meditation

Dr. Keshav Gupta

Professor, Business Administration

- Investments
- Financial management
- Portfolio management
- Finance

Dr. George Hale

Assistant Professor, Political Science & Public Administration

- State and local government
- Government budgets and finance
- Public administration
- Public policy

Dr. M. Halim Dalgin

Assistant Professor, Business Administration

- Economics
- Macroeconomics
- Commodity of prices and agricultural economics

Dr. Edward Hanna

Assistant Professor, Social Work

- Social Work
- Internet dangers
- Customer satisfaction
- Six conversations to have with your child
- Dispute Resolution & Mediation
- Divorce & Custody
- Ethics in mental health care
- Effective communication and mediation/conflict management

Dr. Joseph Harasta

Assistant Professor, Communication Studies

- Branding
- Community relations
- Corporate relations
- Crisis response
- Education policy
- Government relations
- Marketing
- Public affairs
- Public relations

- Reputation management

Dr. Andrea Harmer

Associate Professor, Chair, Library Science/Instructional Technology

- New media & digital literacy
- Nanotechnology education
- STEM education
- Instructional design & technology

Dr. Daniel Haxall

Associate Professor, Fine Arts

- Art-modern and contemporary
- African-American art
- African art and diaspora
- Collage-history
- Art theory and criticism
- Museum studies
- Sports culture
- History

Mr. Stephen Helms

Director, Environmental Health & Safety Facilities – University Safety

- Fire safety
- Emergency preparedness
- Hazardous materials

Dr. Alexander D. Hernandez

Assistant Professor, Biology

- Wildlife diseases
- Parasitology
- Aquatic ecology

Ms. Dolores Hess

Director, Health & Wellness Services

- Student healthcare for acute illness or injuries
- Campus health surveillance

Mr. Alan Hines

Assistant Professor, English

- English
- Professional Writing

- Films
- Television
- Screenplays
- Dramatic writing
- Novelist
- Creative writing

Dr. Paula Holoviak

Professor, Political Science & Public Administration

- Local economic development
- State and local government (especially regarding Pennsylvania issues and Rural Pennsylvania)
- Rural Economic development
- Community development
- Pennsylvania-heritage - Should read Pennsylvania Heritage Tourism
- Pennsylvania-eco-tourism
- Local government mandates

Dr. James Jackson

Assistant Professor, Psychology

- Positive aspects of being a black father
- Psychology

Dr. Deryl Johnson

Professor, Communication Studies

- GLBTQ Issues
- Centralia
- Campus climate
- Public Speaking
- Coal
- Drag
- Storytelling
- Student retention/ completion
- Enrollment
- University Governance
- Performance Art
- Sexuality/Gender

Dr. Eric Johnson

Associate Professor, History

- Medieval Europe and early modern Europe
- Renaissance, Reformation Europe
- Western Christianity

- French
- French Revolution

Dr. Matthew Junker

Associate Professor, Physical Sciences

- Apoptosis: programmed cell death
- Biochemistry
- DNA computing
- Gene expression
- Molecular biology

Dr. Randy Kaplan

Assistant Professor, Computer Science

- Computers and technology
- Computer crime and security
- New technology and gadgets
- Robotics
- Artificial intelligence
- Expert Systems
- Natural Language Understanding (by computer)
- Mobile (Smart Phone) Development and Applications

Ms. Leigh Kane

Associate Professor, Fine Arts

- 20th century contemporary art
- Gelatin silver/film and chemical photography
- Dye coupler color photography
- Documentary strategies in film, video and photography
- Gender and Identity in the Modern and Contemporary Art
- Experimental and Avant-garde film and video
- History of photography
- Image and text in contemporary art
- Landscape vs. Land use in Fine Art photography
- Queer pictures: radical visual strategies by GLBTQ and Allies
- Feminist Film and Video—feminist theory and productions

Dr. Amy Lynn Kennedy

Assistant Professor, Elementary Education

- Education issues
- Early childhood education

- Early literacy and development
- Movement to opt-out from standardized tests
- Education reform
- Reading habits and attitudes of teachers and pre-service teachers
- Computer-based Essay Scoring

Dr. Kelley Kenney

Professor, Counseling & Human Services

- Fellow of the American Counseling Association
- Full Professor/Program Coordinator
- Student Affairs in Higher Education graduate program
- Department of Counseling & Student Affairs

Dr. Mahfuzul Khondaker

Associate Professor, Criminal Justice

- Rape
- Victim
- Violence
- Bangladesh
- Police
- Prosecution
- Criminal justice
- Gangs

Dr. Kraig Kiehl

Assistant Professor, Criminal Justice

- Police
- Criminal Investigation
- Domestic Intelligence
- National Intelligence
- Terrorism
- Homeland security
- Criminal Justice Issues
- Police headship management

Dr. Erin Kraal

Assistant Professor, Physical Sciences

- Comets
- Erosion
- Glaciers

- Floods
- Mars
- NASA
- Planets
- Rocket launches
- Science and art integration
- Solar system science
- Space missions
- Surface processes
- Watersheds

Dr. Jonathan Kremser

Assistant Professor, Criminal Justice

- Criminal justice
- Gang violence
- School-related offences and victimization

Dr. Brian Kronenthal

Assistant Professor, Mathematics

- Algebra
- Combinatorics

Dr. Lynn Kutch

Associate Professor, Modern Languages

- Modern languages
- German

Ms. Yishen Lai

Instructor, Modern Languages

- Chinese language
- Mandarin language

Dr. Eric Landquist

Assistant Professor, Mathematics

- Mathematics
- Cryptography and information security
- Bitcoin and other cryptocurrencies
- Discrete/combinatorial optimization
- Number theory
- Algebraic number theory
- Computational mathematics

- Inquiry-based learning
- Math in popular culture

Dr. Jason Lanter

Associate Professor, Psychology

- Attitudes and behaviors of sport fans
- Gender and social roles for men and women
- Issues in intercollegiate athletics
- Academic identity, motivation & college students

Mr. Mathias Le Bossé

Associate Professor, Geography

- Culture and political geography
- Geopolitics
- Europe, especially Western and Nordic/Scandinavian
- European Union
- Transatlantic relations
- France and French culture

Ms. Sandra Leonard

Instructor, English

- Library plagiarism
- Student blogs

Dr. Keith Logan

Professor, Criminal Justice

- Law enforcement-former DEA agent
- Whistleblower retaliation
- Homeland security
- Nuclear industry-federal agent
- Former federal prosecutor
- Constitution – 1st, 4th, 5th, 6th, 9th amendments
- Criminal law
- Criminal procedures

Dr. Debra Lynch

Professor, Special Education

- Inclusion of special needs students
- Intellectual disabilities
- Physical disabilities
- Methodology for special education

- Autism/Asperger syndrome

Dr. Sharon Lyter

Professor, Social Work

- Wounded healers
- Troubled students choosing helping professions
- Social worker safety and risk management

Ms. Dannel Maclwraith

PT Faculty, Communication Design

- Graphic design
- Web design

Dr. Kevin Mahoney

Assistant Professor, English

- Academic Labor Issues
- Social Media
- Online Advocacy/Activism
- Citizen Media
- Globalization and Global Justice Movements
- Rhetoric and Democracy
- Activist Rhetoric

Ms. Susan L. Mangold

Student Assistance Coordinator

- Office of the Dean of Students
- Academic & Student Affairs

Ms. Jutta Marzillier

Assistant Professor, Biology

- Cell biology
- Moleculos biology
- Biochemistry

Dr. Victor Massad

Associate Professor, Business Administration

- E-tailing/e-commerce
- Consumerism
- Retailing
- Marketing management
- Business ethics E-business

Dr. Keith Massie

Assistant Professor, Communication Studies

- Cultural studies
- Cyberspace phenomenon

- Facebook and social media
- Leadership technology studies
- Media ecology
- Media history
- Race and sex depictions on television and on the web
- Research methodologies
- Rhetoric and philosophy
- Theories of media
- Videogame representations in the media

Ms. Daina Mattis

Assistant Professor, Fine Arts

- Drawing
- Painting and Sculpture relating to the figure
- Gallery Assistant
- Graphic/Brand Designer
- Visual Practicing Artist

Mr. Kevin McCloskey

Professor, Communication Design

- Children's books
- Illustration
- Visual thinking
- Comic Books and graphic novels
- Mexican Art

Dr. Nicole R. McClure

Assistant Professor, English

- Documentary film
- Film and advocacy
- History of film
- Human rights
- Irish cinema
-

Dr. Padraig McLoughlin

Associate Professor, Mathematics

- Edumetrics
- Logic: classical, fuzzy, etc.
- Measure theory
- Point-set topology

- Probability theory
- Psychometrics
- Real analysis
- Set theory
- Statistics

Dr. Steven E. McMurray

Temporary Faculty, Biology

- Marine Biology

Mr. Will Meeker

Campus Grounds Manager, Facilities

- Arboretum
- Landscaping
- Trees
- Arborist-Board Certified Master

Dr. Avidan Milevsky

Associate Professor, Psychology

- Child and adolescent development
- Parenting issues
- Sibling relationships
- Adolescents

Jonathan R. Moser

Orchestra Director, Music

- Music
- Orchestra
- Chamber music & ensembles
- Violin teaching
- Performance
- Repetition technique
- Viola
- String player health

Dr. Lauren Moss

Assistant Professor, Counseling & Student Affairs

- School counseling
- Social justice
- Student affairs

Dr. Lisa Norris

Associate Professor, Fine Arts

- Art history
- Art & gender
- Public art & power

Dr. Adrienne Oakly

Assistant Professor, Physical Sciences

- Subduction zone events
- Sea-level rise, shoreline erosion
- Earthquakes
- Tsunamis

Dr. Amy O'Brien

Assistant Professor, English

- Adobe InDesign
- Community-based learning
- Desktop publishing/document design
- Internships
- Professional writing
- Writing for public relations
- Service learning

Dr. Connie O'Brien

Associate Professor, Business

- Audit
- Fraud
- Small Business Consultant
- CPA

Ms. Megan O'Byrne

Visiting Assistant Professor, Communication Studies

- Social movements
- Grassroots environmental movements
- Performance of protest
- Democratic dissent
- Rhetoric of music

Dr. James Ogden

Professor, Business Administration

- Advertising

- Arts and entertainment marketing
- Marketing communications
- Marketing management
- Marketing research
- Retailing

Dr. Mary Ogletree

Professor, Music

- Music performance: orchestral, chamber, solo
- Music theory: components, analysis of music
- Music literature
- Strings: violin and viola
- Women in music

Dr. Mary Ann O'Neil

Associate Professor, Elementary Education

- Graduate reading

Mr. Thiep Pham

Instructor, Computer Science & Information Technology

- Disruptive technology
- Information technology entrepren
- Cybersecurity

Dr. Ernest (Ernie) Post

Director, KU Small Business Development Center

- Strategic analysis
- Small business growth trends
- Legislative impact on small business
- Economic development
- Advertising
- Marketing
- Business plans
- Entrepreneurship

Dr. Jeffrey Punske

Assistant Professor, English

- Language change
- Linguistics
- Syntax
- Word meaning

Mrs. Wendy Pursell

University Bursar, Bursar's Office

- Bursar

Dr. G. Dennis Rains

Professor, Psychology

- Clinical psychology
- Neuropsychology (brain and behavior)
- Social psychology

Mr. Michael Regensburger

Manager, Advisor to KU Radio, Academic & Student Affairs

- Amateur weather spotter
- Audio electronics
- Broadcast television
- Contemporary Jazz
- Holistic medicine
- Journalism
- Radio station management

Dr. Robert Reynolds

Associate Professor, History Department

- Historic Preservation
- Pennsylvania Dutch Culture
- House Restoration
- Local History

Dr. Christine (CJ) Rhoads

Professor, Business Administration

- Business strategy
- Health
- Health finance topics
- Information technology
- Integrative health practices
- Leadership

Dr. John Riley

Assistant Professor, Political Science & Public Administration

- U.S. Foreign policy
- Africa Politics: Security and Development
- International Law: Private Security Contractors

Dr. Thomas Robinson III

Assistant Professor, Psychology

- Black racial identity
- Child and adolescent development
- Cultural diversity in the classroom
- Cultural diversity training
- Ethnic identity development
- Minority student academic achievement
- Psychology of race and racism
- Psychology of the black experience
- Undergraduate student retention
- Origins of sexual orientation

Dr. Cristen Rosch

Associate Professor, Biology

- Cell biology
- Developmental biology: embryology
- Molecular biology: DNA and cloning
- Cloning

Dr. William Roth

Professor, Business Administration

- The evolution of management
- Modern day management theory
- Ethics
- Strategic planning
- Team building
- Evaluation and reward systems
- Quality Improvement
- Health care systems
- Education systems

Dr. Robert Ryan

Assistant Professor, Psychology

- Applications of cognitive principles to classroom practice
- Analogical reasoning
- Cognitive process in problem solving
- Eyewitness identification
- Face recognition
- Learning algebra
- Neural networks

Dr. Christopher Sacchi

Professor, Biology

- Ecology

- Gardening
- Horticulture
- Native plants in horticulture and landscapes
- Plant ecology
- Plant insect and plant vertebrate interactions

Mr. Renard Sacco

Assistant Professor, Director of Sports Medicine Services, Intercollegiate Athletics

- Athletics
- Sports Medicine
- Athletic Trainer
- Healthcare- athletics

Dr. Christine Saidi

Assistant Professor, History

- Gender in Africa and in Islamic world
- African Islam
- American Islam

Dr. Trishia Scarcia-King

Director, McFarland Student Union, Administration & Finance

- Supervision
- Virtual supervision
- College students and resilience
- College Student development
- Student Union Operations
- Leadership
- Telecounseling/Student call team
- Toastmasters

Mr. Jerry Schearer

Assistant Dean for Inclusion and Outreach

- New student transition
- Freshman transition
- Community service
- Service-learning
- GLBTQ issues

Dr. Jennifer Schlegel

Associate Professor, Anthropology/Sociology

- Hate activity
- Pennsylvania German studies
- Language and culture

Dr. Steven Schnell

Professor, Geography

- Local food
- Cultural geography
- Globalization

Dr. Gregory Setliff

Associate Professor, Biology

- Insect
- Entomology
- Zoological Taxonomy/Nomenclature

Dr. Laura Sherrod

Associate Professor, Physical Sciences

- Geophysics
- Hydrology
- Groundwater resources and pollution
- Acid mine drainage
- Ground Penetrating Radar
- Magnetometry
- Geoarcheology
- Bagpipes

Dr. Kim Shively

Associate Professor, Anthropology/Sociology

- Middle East
- Islam Religion
- Egypt
- Muslim
- Turkey
- Israeli-Palestinian

Dr. Julie Shoults

Instructor, Modern Languages

- German
- German language, literature & culture
- Fulbright Grant

Dr. Edward Simpson

Professor, Physical Sciences

- Geology
- Sedimentation
- Pre-Cambrian geology (history of early earth)
- Paleontology
- Dinosaurs
- Jurassic

Dr. George Sirrakos

Assistant Professor, Secondary Education

- Cross-national studies
- Learning environment surveys
- Mixed methods
- Reality pedagogy
- Science education
- Scientific inquiry
- Urban education

Dr. Dawn Slack

Associate Professor, Modern Languages

- Latin American literature and culture
- Learning Spanish
- Spanish
- Spanish for business and entrepreneurship
- Study abroad

Dr. Daniel Spiegel

Professor, Computer Science

Graduate coordinator

- Client-server design
- Evolutionary techniques
- Integration of technology in the classroom
- Web-based software design
- User experience
- Human-Computer Interaction
- User Interface Design
- Issues in Computer Education

Ms. Karen Stanford

Instructor, Fine Arts; Director, The Marlin & Regina Miller Gallery

- Art Gallery events
- Miller gallery

- Exhibitions

Dr. Stephen W. Stoeffler

Assistant professor, Social Work

- Poverty

Dr. Cynthia Stunkard

Assistant Professor, Special Education

- Cooperative/teaching
- Special education
- Foster care
- Professional development schools
- IEP development

Dr. Teresa (Terre) Sychterz

Professor, Elementary Education

- Children's literature
- Student teaching/ teaching

Dr. William Towne

Professor, Biology

- Evolution
- Honey bees
- Animal behavior
- Environment

Dr. Raymond Tumbleson

Associate Professor, English

- Seventeenth & eighteenth-century English literature
- Jane Austen
- Science fiction and fantasy

Dr. Todd J. Underwood

Professor, Biology

- Biology
- Birds
- Eggs

Dr. Krista Varano

Assistant Professor, Elementary Education

- Elementary education
- Middle school education
- Child development
- Children

Dr. Francis Vasko

Professor, Mathematics

- Theoretical mathematics
- Math-industrial
- Discrete math
- Little league baseball

Dr. Andrew Vogel

Associate Professor, English

- English
- Modern American literature
- American literature
- Modern poetry

Dr. John Walker

Associate Professor, Business Administration

- Investments
- Stock market
- Banking
- Portfolio management
- Privatization

Mr. Robert Watrous

Associate Vice Provost & Dean of Students, Academic & Student Affairs

- Student life

Dr. David Webb

Professor, Anthropology/Sociology

- Forensic anthropology
- Human evolution
- Human footprints
- Human walking

Dr. Lisa Weckerle

Associate Professor, Communication Studies

- Communication
- Literature
- Performance and theatre
- Women's studies
- Film and theatre adaptation
- Creative writing
- Fairy tales
- Mythology
- Television

Ms. Nancy Wunderly

Director, Admissions

- Admissions
- Admissions trends

Dr. Anne Zayaitz

Dean, College of Liberal Arts and Sciences

- Food-borne illness/Food industry concerns
- Value of a liberal arts education
- STEM disciplines (at KU)
- Women in science
- Biology- general topics

Dr. Nancy Zimmerman

Assistant Professor, Modern Languages

- Foreign languages
- Spanish language
- Spanish- as a heritage language
- Teaching methods
- Student teacher supervision
