

Hi – Quick thoughts...

1. **We do NOT have an event supervisor** for Detector Building. Please look at the Supervisor/Judge list! Can you spare another helper???
2. Don't forget to fill out the roster and publicity waiver (attached). Your principle **MUST** sign the roster!
3. David Moyer has informed us that the top 5 teams will get an invitation to compete at the State competition at Juniata College.
4. Trial events are open to **ANYONE** – students do not need to be on the roster to compete in the trial events. A school can send more than one team to compete in the same trial event. The more the merrier! You do not need to sign up for a time slot on line – just show up. Rules are attached.
5. You can only go to the time slot that has your team number. Students **MUST** wear their wrist bands.

CHEERS!
